

ATTENTION SOFTBALL PLAYERS, PARENTS & COACHES

We have received many inquiries regarding the upcoming season in regards to COVID-19.

- Batting Shed and fields will remain closed until further notice.
- Coaches meeting scheduled for 3/29/20 is cancelled. We are working on a plan to get coaching packets to everyone and items in that packet returned without having a meeting.
- Coaches please make sure Mike Deming has your correct email.
- Coaches please check you emails daily.
- It is the recommendation of the Board that all teams cancel any further practices and public fundraising events until further notice. Many athletic organizations have either cancelled their seasons or postponed the start of their seasons until as late as 5/11/20. The Board has control over the access teams have to the shed and fields, however we don't have control over many of your practice sites. Please cease any all team events until further notice.
- Field cleanup for 4/11/20 is canceled and there will not be a makeup.
- The season was scheduled to start 4/13/20 is postponed (we are working on a few variations of schedules to allow for a productive season).
- We have not made a decision on the RCJOUUSA Early Bird tournament which is scheduled for 5/1/20.
- Opening ceremonies for 5/16/20 is canceled.
- Teams planning on going to tournaments out of town, please check to see their status. Many tournaments have already been cancelled.

Thanks in advance for your flexibility and patience.

Stephen Vernon
