

July 29, 2020

Greater Cincinnati Youth Football League families,

We are aware of the memo released late Tuesday by the Ohio High School Athletic Association (OHSAA).

Scrimmages outside an organization for football and other contact sports are suspended until further notice. The memo adds that practice remains "on track."

Your Greater Cincinnati Youth Football League Board has been working tirelessly since March to develop contingency plans and schedules in the event our season may be delayed. You may be assured that it is our league's intention to have the 2020 season. Many of our organizations utilize their high school fields for practices and games and thus must follow applicable OHSAA guidelines.

We are waiting for more guidance from the governor's office and department of health on when school vs. school competition can begin and are hopeful of that permission being granted for our normal contest dates later in August.

As the GCYFL receives more information we will be alerting our membership.

The GCYFL Executive Board
