Kickaround Details

In order to be evaluated and placed on a team, all players must be registered on www.farmingtonmosoccer.com for the 2019/2020 year prior to May 28th. **NEW** players are highly urged to attend as many kickarounds as possible, as to maximize their exposure to the trainers. It is also highly recommended for returning players to attend the kickaround sessions, but this is not a mandatory requirement. After all Kickaround sessions are completed, the trainers will utilize the previous year exposure to the children along with the performances during the kickarounds to formulate teams. Volunteer coaches will NOT be involved in team formation. Sometime during the week of June 24th-28th each parent will receive a notification informing them of which team their child has been assigned to. Volunteer Coaches/Managers will be assigned AFTER the teams have been formed. This process will be time sensitive because our SLYSA rosters must be submitted by the end of June.

Please Note: All unpaid/overdue fees must be reconciled prior to the start of Kickarounds on May 28th. No players with an overdue balance will be allowed to participate in club activities until their overdue balance is paid in full or a payment plan has been initiated. Please contact Kelly Gabel fcfarmingtontreasurer@gmail.com for payment related questions.
