

**CARROLLTON BOOSTERS SOCCER
PARK RULES – COVID-19 ADDENDUM**

Carrollton Boosters has implemented the following additional rules and protocols to address the situation caused by the COVID-19 pandemic. These rules supplement the Park Rules found in the Carrollton Boosters Soccer Handbook. These rules supersede any inconsistent Park Rules until they are rescinded by the Board.

Temporary COVID-19 Park Rules, Additions, and Adjustments

- All individuals (players, parents, siblings and other spectators) arriving to the fields are strongly encouraged to wear masks; if not wearing a mask, all individuals must maintain a distance of six feet from individuals outside of their household
- Players and coaches are not required to wear masks while participating in practices or games but are free to do so if they so choose
- All other individuals (parents, siblings, and other spectators) are strongly encouraged to wear masks while spectating; if not wearing a mask, all individuals must maintain a distance of six feet from individuals outside of their household
- Parents, siblings, and other spectators will only be permitted on certain sidelines which will be the sideline opposite of the players
- All individuals are required to wear masks at the concession stand area as well as in and around the bathrooms
- There will be no shared equipment. Each player must have their own soccer ball (Size 3 for U-6 and U-8, Size 4 for all others). If a player wishes to play goalie, he/she must have their own different colored shirt.
- Each player must have their own water bottle
- The concession stands will be open for drinks and snacks. Masks are REQUIRED for anyone visiting the concession stand and restroom areas.

- There will be no team drinks.
- There will be no celebratory handshakes, high-fives, hugs, etc. There will be no post-game handshakes; rather each team will line up across the mid-field line from each other and wave
- If a player or coach tests positive for COVID-19 or is exposed to COVID-19, please inform the coach, league coordinator, and commissioner immediately
- Any player or coach who tests positive for COVID-19 must be quarantined from the team for 14 days and will not be allowed to participate in any team activities. If a player is positive and has exposed the entire team, then team activities will be stopped until all of the players and coaches have a negative test or have been symptom free for 14 days. If it is determined that a team has not been exposed, team activities may go on.
- Any individual who requires a COVID-19 test must not attend any team activities while awaiting the results of the COVID-19 test.
- If any individual (player, parent, sibling, or other spectator) is feeling sick or exhibiting any of the following symptoms, we ask kind ask that they not attend practices or games
 - Fever (temperature of 100.4 or higher) without fever reducing medicine
 - Shortness of breath
 - Loss of smell or taste
 - Cough, sore throat, or congestion
 - Flu-like symptoms such as chills, headache, or muscle aches
 - Nausea, vomiting, diarrhea, or loss of appetite

Best Practices and Reminders

- Hand sanitizing stations are being placed in and around the concession stand areas, courtesy of our partners at Children's Hospital. All are encouraged to use them frequently, especially after coming into contact with shared surfaces.
- Decals have been placed in the concession stand are to demonstrate proper distancing. Other signs are posted throughout our facilities to encourage social distancing and other safety practices. Please observe them!
