DEFINITIONS

S1-LEAGUE
The term “League” has two definitions, each separate and distinct as applicable:

A. It is a legal term to define a type of Federation/Conference, or
B. It is a grouping of teams of the same ages and weights (playing division) into a “league” for scheduling purposes.

League shall be utilized and referenced herein place of Federation and Conference. A League consists of a minimum of four (4) teams playing in the same Age/Weight division. Leagues are Chartered and managed by PWLS Inc. with the assistance of the appropriate Regional Administrator(s). All Leagues must sign an annual charter contract and to remain in good standing. Pop Warner National Staff shall have the right to attend any League/Association function with or without notice.

S2-ASSOCIATION
Associations are organizations that sponsor and administer one or more teams. They raise money, buy equipment, recruit coaches, secure fields, etc. Each Association shall have an Association Board member to be called the Director of Football, Football Commissioner, (or whatever other term is locally applicable), who is an equal voting member of the Association Board and responsible only to that board.

Associations are characterized by specific geographical coverage. In cities, they often adopt commonly understood neighborhood names. In the suburbs, they usually take the town name. In rural areas, an association name may embrace an entire county (or a substantial part of it). An association's recruiting area is approved by its League and is normally consistent with its geographical name.

When there are no associations, a League is intramural.

S3-ADMINISTRATORS
All League & Association Administrators must be at least 21 years of age.

S4-TEAM
A team is the universal, basic unit of organization. At minimum, a team consists of a group of participants organized under the direction of a coaching staff in a given Age/Weight division. Each football team may have a maximum of three rostered Pop Warner Cheer/Dance teams.

S5-DIVISION
Division has several meanings, the most common of which refers to one of the ten (10) Age/Weight classifications: Tiny-Mite (TM), Mitey-Mite (MM), Junior Peewee (JP), Peewee (P), Junior Varsity
(JV), Varsity (V), Unlimited (UL), Junior Bantam (JB), Bantam (B) Challenger and Flag. The basic ages and weights for each division of play are listed in Rule 1 S:4.

Another use of the word is to designate a sub-grouping of a League, such as “National-American divisions” or “East-West divisions.” NOTE: Requests from National for “division of play” refer solely to the Age/Weight classifications.

INTRODUCTION TO THE RULES

S1: The rules contained herein ARE REQUIRED to be enforced by each PWLS association and league. Failure to do so shall be subject to the penalties defined herein, in the PWLS Administrative Manual and in any other PWLS Policies.

S2: For all purposes, the Pop Warner playing season shall be defined as August 1st through December 31st or the last game/competition, which ever comes first. All Leagues, administrative personnel, coaches, players and spirit participants are subject to disciplinary action for violations of Pop Warner rules and regulations occurring at any time during a stated playing season.

S3: NO RULES WILL BE ADDED AFTER AUGUST 1st UNLESS REQUIRED FOR SAFETY REASON(S).
ARTICLE 1: POWERS/AUTHORITY OF LEAGUE

S1: The League has, among its powers, the obligation and authority to enforce National rules. Leagues will follow all PW Rules as printed in this book or their Charter shall be in jeopardy.

S2: Leagues are responsible to verify accuracy of all scores/results prior to start of League play-offs. If an error is found in reporting, leagues are responsible to correct and advance the proper team.

ARTICLE 2: BOUNDARIES

S1: A League is responsible for the enforcement of its own boundaries. However, it shall not infringe upon the territorial rights or boundaries of another chartered League.

S2: Transfer between Leagues: Any team or association seeking to withdraw from one League to join another League may do so only with the prior written agreement of the Leagues involved and with the written concurrence of the appropriate Regional Director. In the event the two Leagues cannot agree upon the terms of the move, the Regional Director shall rule on the matter, with either party retaining the right to appeal the decision to the National Football Commissioner.

S3: Leagues must establish boundaries for their participating associations. Boundaries will be set by a defined, readily recognizable format, (i.e., town limits, school districts, streets etc.) Failure to establish and operate boundaries in this manner can result in revocation of charter. Players found to be playing outside boundaries they reside, without proper release from both Leagues & Associations involved, subject their team to forfeiture of all games played.

S4: PARTICIPANT WAIVERS

Leagues must establish written policies for their Associations pertaining to participant waivers. Waiver requests must be submitted with cause by a parent or legal guardian to both Presidents of the affected Leagues & Associations. Leagues must approve all waivers between their Associations and the Region Director or his designee must approve all cross-league/region waivers. It is strongly recommended that all Waiver requests be resolved by the first practice. Waivers shall only be granted upon written application executed and verified by both League & Association Presidents involved in the Waiver request, attesting that the Waiver meets at least one of the following criteria but not limited to, for waiver allowance:

• Valid family circumstances (divorce, custody determinations, court decisions etc.) in which the child effectively resides in multiple locations.
• In cases where the team is full
• In cases where an age/weight appropriate team does not exist
• In demonstrated (proven) hardship cases
All Waivers expire annually on December 31st. Only waivers, which serve in the best interest of Pop Warner both locally and nationally, will be given consideration.

S5: The National Football Commissioner shall have final non-appealable authority over any/all League boundary and waiver disputes.

**ARTICLE 3: RESTRICTION AGAINST DUAL MEMBERSHIP**

No League or member association holding a Pop Warner charter may enter any one of its teams into membership in any other youth football or cheerleading program and no adult volunteer may serve on the board of a Pop Warner Region, League or member Association while concurrently serving on the board of another youth football or cheerleading organization. Any individual, League or member Association in violation of this rule shall be immediately dismissed from Pop Warner.

**ARTICLE 4: ANNUAL LEAGUE CHARTER APPLICATION REQUIREMENTS & VARIANCE OF RULES**

The Charter Committee for Pop Warner consists of the Region Directors and appropriate members of the National Staff. They are responsible for reviewing, granting, suspending or revoking the privileges and conditions of the local league's charter. When a local league wishes to request a waiver of a specific rule or regulation, it must submit in writing to the Region Director, who will forward it with their recommendation to the Charter Committee. The appropriate Regional Director will present the variance to the Charter Committee for a decision.

S1: Variances shall only be granted upon a written application executed and verified by the President of the League, attesting that the variance sought is based upon good cause and can be shown to be in the best interest of Pop Warner players and spirit participants assuring their safety. Variances are defined by 1 of 3 categories: Football only, Spirit only, Football and Spirit.

S2: Programs granted a variance forfeit their rights to compete in Regional and National Play-offs for the current season.

S3: No program granted a variance may compete in post season bowl games that year, unless the opposing team has an identical variance.

S4: All variances expire annually on December 31st every year. Only variances which serve in the best interest of Pop Warner both locally and nationally will be given consideration.

**ARTICLE 5: COACHES REQUIREMENTS**

A coaching staff is in complete charge of the team whenever it is together on the practice or playing field, traveling as a group to and from practice sessions and games, or together for any team function, such as a banquet. The coaching staff is under the direction of the Head Coach; other coaches are called Assistant Coaches. All Football & Spirit Head Coaches and Assistant Coaches must complete and pass the USA Football Heads Up Football program and/or the YCADA online Coaches Education & Testing program to be eligible to coach. All rostered spirit staff must successfully complete the YCADA online Coaches’ Education and Testing including but not limited to the Head
Coach, Assistant Coaches, Coach Trainee, Student Demonstrator, Coordinators, etc. All Head Coaches who fail the online course will be immediately removed from coaching until they have successfully completed. Successful completion of the Cheer/Dance Coaching program is valid for 2 seasons. Successful completion of the USA Football Heads Up Program is valid for 1 year. The following applies to all coaches:

S1: The Head Coach, Assistant Coach(s) or Football/Cheer Commissioner must be 21 years or older in order to supervise at all practices, games and functions. The Head Coach can only be rostered as the Head Coach on 1 roster.

S2: An Assistant Coach must be at least 18 years of age. A football team may have a maximum of five (5) assistant coaches, plus a maximum of one (1) Coach-Trainee, (1) Equipment Manager, (1) Trainer, (1) Team Parent. (Please note this applies only to Football. See Spirit section for team coaching members)

S3: Teams are permitted to carry a Coach-Trainee, who must be a minimum of 16 years of age and a maximum of 17 years of age.

S4: The Head Coach will determine the assignments of the Assistant Coaches.

S5: In the absence of a specialized, trained person affiliated with the team in the medical area (physician, paramedic, specially trained volunteer, Certified Athletic Trainer), one of the coaches must be the holder of a current Red Cross Certificate in Community CPR and First Aid, or the P.R.E.P.A.R.E. Course by the National Center for Sport Safety (www.sportssafety.org) or its equivalent.

S6: Coaches are to be selected by methods approved by League rules and/or by-laws in accordance with National Rules.

S7: Once approved for coaching, a coach is automatically terminated at the close of each season. To coach the following year, the same League approval is required. Any violation of the rules committed by a coach during the season, even though the hearing is not held until after the close of the season, is still under the jurisdiction of the sponsoring association and/or League.

S8: Coaches do not make Team or League policy. Rather, they carry it out. However, on the playing and practice fields, the coaching staff is in complete charge and shall not be interfered with except in cases of rules violations and any other conduct deemed by higher authority to be contrary to PWLS rules and policies.

S9: The Head Football/Spirit Coach has final responsibility for his/her actions, those of his/her assistant coaches, players, staff and parents.

S10: Each League shall establish its own rules regarding the placing of coaches with sons, daughters or siblings within its own boundaries.

ARTICLE 6: REGISTRATION

A candidate cannot begin practice with a team until he/she has officially registered. Registration consists of completing and submitting items S1-S4 in this Article in addition to any/all local required forms. The sign-up fee, if any, may be collected at this time. All coach trainees and teen demonstrators under the age of 18 must be registered/certified in the same manner as all other minors participating in Pop Warner Football, Cheer and Dance. All candidates must furnish the
following in order to be registered and before starting practice:

**S1-PARENTAL CONSENT**

The National Participant Contract and Parental Waiver form needs to be completed by either parent or the legal guardian, stating that the child has his or her permission to play, cheer or dance.

**S2-MEDICAL EXAMINATION**

A signed form from a Licensed State Medical Practitioner dated after January 1st of the current year/season; (i.e. Medical Doctor, Registered Physician Assistant, Registered Nurse Practitioner, etc.) that the candidate is physically fit and there are no observable conditions which would contra-indicate playing football or cheer/dance. Note: If a regular school medical examination was performed after January 1 of the current year, and the results are releasable to parents, a copy of such a report may be used in lieu of a new examination.

**SPECIAL NOTE:** A person with a loss of limb may participate provided that the individual has a signed statement of approval from an examining physician and that the use of the artificial limb is no more dangerous to players than the corresponding human limb, and does not place an opponent at a disadvantage.

**S3-PROOF OF AGE**

A certified copy of the birth certificate on file bearing the seal of the issuing office of the state of birth is the best guarantee of reliability of claimed date of birth and is form of proof most recommended. Passports are also reliable. Military ID cards are acceptable. Certified wallet-size certificates issued by a state or commonwealth are acceptable. Any other alleged “proof of birth date,” including photo copies of “originals,” are to be accepted only upon the willingness of the team administration to have its schedule forfeited should fraudulent application later be determined. PWLS does not mandate retaining the originals but verifying them.

**S4-SCHOLASTIC FITNESS**

Proof of satisfactory progress in school is required. A 2.0/70% or the equivalent shall be the minimum grade point average acceptable to participate. In cases of doubt, conflict of opinion, or if a valid report card is not submitted, the nationally published scholastic eligibility form shall be used and deemed final. NOTE: Like all rules herein this rule as it relates to scholastic grades may not be made more stringent by any team, association, or league, as other rules may be. No local team may be allowed to participate in Regional/National sponsored championships or bowl games if it has not met the nationally published scholastic requirements and may be subject to other penalties.

**ARTICLE 7: FORMATION OF TEAMS**

Tryouts of any kind within Pop Warner are prohibited. Tryouts are defined as any means used to ascertain the level whereby a participant is placed on a team, including assessments, evaluations, or any other method used to place a participant in Pop Warner. Not more than 35 players shall be assigned to a football or spirit team at the start of pre-conditioning on August 1st or the later starting date of the association, whichever comes first.
ARTICLE 8: MANDATORY CUTS

Any participant must be cut who:

S1: is found to have signed up as a result of parental pressure or tells team management he/she does not really want to play/cheer/dance.

S2: refuses or cannot furnish the 4 required items-Parental Consent, Medical Examination, Proof of Age, and Scholastic Fitness.

S3: is found to be simultaneously trying out for a school tackle football team, or who, once the season starts, is found to be dual participating on a school tackle football team and Pop Warner. However, participation in a school flag football program, if required by the curriculum of the school PE program, or participation in non-Pop Warner spirit team tryouts only, during the Pop Warner season, is allowed. Exception for spirit teams: Participants who tryout and make a school team of the current season and are members of a Pop Warner Team will be permitted to simultaneously participate in Pop Warner and school programs administered and coached by School District employees.

S4: is a member of any other organized Pop Warner football/spirit team or non-Pop Warner football/spirit team. (Exception: See S3 above)

S5: attempts to intimidate fellow participants in practice by word and/or physical deed. No refunding of fees shall be required.

S6: is a recurring discipline problem (and then, only with the concurrence of the League).

ARTICLE 9: VOLUNTARY CUTS

A participant shall be considered a voluntary or “self-cut” participant when he/she simply no longer shows up at practices or games of his/her own free will. While voluntary cuts are not charged to any team for the purpose of these regulations, a coaching staff may attempt to disguise its cutting pattern by arranging practices in such a way as to discourage participants of lesser ability into quitting on their own. While these practices are not common, they have been known to occur and are considered intentional avoidance of the rules and regulations and are, therefore, punishable as a result of a hearing.

If a team loses 20% or more of its assigned participants prior to certification, it is mandatory that the association investigate the causes for the participants voluntarily leaving the team, and take whatever appropriate action may be needed. The results of this investigation shall be reported to the League and the League shall have final authority as to whether appropriate actions were taken.

ARTICLE 10: CERTIFICATION

S1: Certification is that process whereby the team or association will file with the league and Region of which it is a member, a complete roster of players and a complete roster of spirit participants for the regular season schedule.

S2: A roster is certified once the association and league have approved the roster through PWLS’ online Roster System. A certified roster is one that the League has accepted the information at a pre-season session with its teams, based upon information submitted, and the teams are restricted to these participants for the balance of the season (except for allowed “Drops” and “Adds,” see Article 12).
S3: Certification will be accomplished within the official Roster Software. All rosters must be completed online through prior to the first regular season game to be certified.

S4: To be certified onto a team roster, a participant shall qualify under the following:
A. Eligibility according to residence shall be decided by the League when the candidate resides in an area other than that authorized for the association by the League and on file at PWLS.
B. Each association shall attempt to assign a first-time participant to the lowest age and weight division for which he/she is qualified.
C. Once certified for a particular age/weight division, a participant shall not be permitted to recertify to a lower division of play during the current season under any circumstances, but based on the information available shall be permitted to approve recertification to a higher division of play.
D. Ages shall be verified by birth certificate as specified in Article 6, S3.
E. Associations will require a new picture of a football player or spirit participant at least every two (2) calendar years.
F. It is the responsibility of the league board members to conduct weigh-ins. Players should be in a stripped mode (gym shorts). A league board member is not permitted to weigh-in his/her own team(s).

ARTICLE 11: RETENTION OF ELIGIBILITY
Once certified, a participant must meet the following requirements to retain eligibility:
S1: Transfer policy in case of change of residence will be decided by the League.
S2: Retain parental consent.
S3: Maintain sound physical condition.
S4: Continue to maintain sound scholastic standards. In cases of doubt, a League shall have the right to require a written statement by the school administration, which shall be deemed final.
S5: A player serving a school suspension is not eligible to play PW until the day after their school suspension is completed.

ARTICLE 12: DROPS AND ADDS
S1: A team may add participants to its certified roster as long as said roster was certified below the maximum number permitted, or to replace those originally certified and no longer on the team for any valid reason as outlined herein.
S2: Each League shall establish its own Drops & Adds cutoff date, but no player or spirit participant may be added to any roster after the first Monday of October of the current season.
S3: All Team Rosters must have active status in PW Roster system by the first Monday in October.

ARTICLE 13: NO ALL-STAR
All Star teams or squads are prohibited in Pop Warner. Pop Warner rosters are valid from August 1st to December 31st of the current year. Any coach or participant found to play a game(s)/competition with All Star participants from different rosters of regular season teams will forfeit future eligibility for all Pop Warner programs.
ARTICLE 14: AWARDS

S1: In compliance with the team concept and in view of the ages of Pop Warner participants, no participant will be singled out as “best lineman,” “best offensive back,” “most valuable player/spirit participant,” etc., for the presentation of a special award. Such adulation should be given to an athlete after his Pop Warner days, if he/she justly deserves it by performance at the High School level. Individual awards may be presented, but must be given to all team members.

S2-SPECIAL NOTE FOR PLAYERS: Awards for individual performances displayed on the helmets are prohibited (i.e., no stars, hatchets, footballs, etc.). The only helmet decals allowed are the team logo, official Pop Warner logo and/or participants jersey number.

ARTICLE 15: PRACTICE

S1-DEFINITION: To prevent possible bending of the rules and as a protection for children, practices are defined as a gathering of players or spirit participants, without minimum number, in the presence of at least one (1) coach, where one or more of the following activities take place:

A. chalk talk/skull session
B. viewing of fundamentals film
C. group conditioning
D. individual skills sessions (QB, receiving, blocking, tackling, kicking, etc.)
E. group skills sessions
F. dummies and other inanimate contact
G. play run through without pads (shorts & T-shirt)
H. play run through with equipment, but without contact
I. Intra-squad scrimmages with full pads and equipment

As can be seen, a so-called “party” at a coach’s home, where films are shown, or where football or spirit teams are talked about, can be deemed a practice session, as can a “party” at a parent’s home where one or more coaches are present. Use of a football field is not required to satisfy the definition of a “practice session.” Each League is directed to establish a policy with respect to home videos and/or films of games or competitions and the viewing thereof. Pop Warner strongly recommends League/Associations discourage “parties/practice sessions” at coaches homes. All the activities/practice sessions that are referenced in A-15-S1, must include a minimum of 2 coaches in attendance the entire session.

S2: Pre-season practice shall not begin until August 1st (or later). The actual date will be determined in accordance with climate and other factors determined by the League in establishing a common starting date for all teams within its jurisdiction.

S3: All practices must be attended by one person holding a Red Cross Community CPR and First Aid Certificate, or the P.R.E.P.A.R.E. Course by the National Center for Sport Safety (www.sportsafety.org) or their equivalent, if not by an EMT or volunteer physician (such as a parent of one of the participants).

S4-BEFORE LABOR DAY: No team may schedule more than 10
hours of practice per week before Labor Day. A week is defined as Monday-Sunday. Not more than 2-1/2 hours of practice may be scheduled on any one day.

S5- AFTER LABOR DAY: Practices after Labor Day weekend are limited to 6 hours per week. A week is defined as Monday-Sunday. Practices after Labor Day weekend are not to exceed 2 hours per day.

S6- BREAKS: Break time is not counted against the ten (10) or six (6) hours per week or 2-1/2 or 2 hours of allowed practice time. Water breaks should be given as needed and when requested by participants.

S7- CONTROLLED INTER-SQUAD SCRIMMAGE: After the first week of practice (10 hours) for conditioning, and after the second week of practice (10 hours) in pads in which contact has occurred, teams may engage in joint practice sessions with other team(s) in what are called controlled inter-squad scrimmages. So as to avoid any misinterpretation, 20 hours of practice is required before inter-squad scrimmages may occur.

S8: Any player added after a team has formed and/or after the season has started, must be subject to the same 20 hours of conditioning as mentioned in S7 of this article.

S9: The following exercises and drills are banned from all practices and pre-game warm-ups; leg lifts, neck bridges (sometimes referred to as neck rolls) and bull in the ring. Leg lifts with knees bent are acceptable.

ARTICLE 16: CAMPS

S1: No Pop Warner organization or personnel associated within, shall require or mandate that a Pop Warner football or spirit team, in part or in whole, with or without coach(s) to attend a football or spirit camp. There shall be no exceptions. However, a Pop Warner football or spirit team, in part or in whole MAY attend a camp if they so choose to, providing the following conditions are met:

A. Coach or other team affiliated personnel does not make it MANDATORY.
B. Camp provides as part of its services an accident insurance plan for camp participants.
C. All Football camps must be completed by July 15.

S2: Any camp, whether it be for players or spirit participants, shall NOT be endorsed or sponsored by any League, Association, or Team, which does not provide as part of its services, an accident insurance plan for the camp participants.

ARTICLE 17: IMPORTANT POINT-MEDICAL & CONCUSSIONS

The home team or hosting organization has the responsibility to provide medical coverage at each game or competition. In the absence of a physician and or ambulance on the site, the minimum safety requirement will be the presence of one individual associated with the home team/host organization who is currently EMT qualified or is currently certified in Red Cross Community First Aid and Safety, the P.R.E.P.A.R.E. Course by the National Center
Work together with your local EMTs to establish an emergency plan that fits your specific area and needs. Your emergency plan should include, but not be limited to, the following:

A. introduce or identify trainer/health care provider to visiting coach;
B. home team/host organization review emergency plan with visiting team;
C. designated duties for coaching staff and or athletes;
D. “how to call EMS” next to phone;
E. specific directions to your facility for emergency medical service (EMS);
F. emergency numbers;
G. injury report forms;
H. treatment authorization card;
I. list of administrators that the coach is required to contact.

Practice your emergency plan early in the season, and repeat often throughout the season. A similar plan should be in place for teams traveling to away games.

All teams are recommended to have a staff member carry the entire team's medical release forms and emergency numbers for all players and spirit participants in case in an emergency their parent(s) or guardian must be reached. Having the family physician's number opposite the participant's name is also recommended.

S1: CONCUSSION RETURN TO PLAY GUIDELINES: A participant who is suspected of sustaining a concussion or a head injury in a practice, game or competition shall be removed from practice, play or competition at that time based on evaluation and determination by the Head Coach. However, if an official licensed athletic trainer or other official qualified medical professional is on site and available to render such evaluation, that person shall always have final authority as to removal or return to play of the participant.

When an official licensed athletic trainer or other official qualified medical professional is not present, and a parent or guardian of the injured player is serving as head coach, the final authority on removal of a participant shall rest with the league president, association president or the top ranking assistant head coach; whomever is present and highest in the Pop Warner chain of command.

Any Pop Warner participant who has been removed from practice, play or competition due to a head injury or suspected concussion may not return to Pop Warner activities until the participant has been evaluated by a currently licensed medical professional trained in the evaluation and management of concussions and receives written clearance to return to play from that licensed practitioner.

In the absence of an official licensed athletic trainer or other official qualified medical professional, at regional Pop Warner events, the Regional Director shall be the final authority on removal of a participant for a suspected head injury or concussion. At national events, the National Football Commissioner or National Cheer Commissioner, depending on the sport in which the participant was engaged, or in their
absence the Executive Director, shall be the final authority on removal of a participant for a suspected head injury or concussion.

Pop Warner recommends that all decisions be made in the best interest of the children and that when any doubt exists as to the health of the participants, they sit out. Please check www.popwarner.com or www.cdc.gov/concussion for Center for Disease Control (CDC) signs and symptoms chart for concussions.

ARTICLE 18: CHARGING ADMISSION

Reasonable admission fees may be charged to attendees for entry into pre-season, regular season and postseason Pop Warner league, association and team events, however such admission fees shall not be borne by any active rostered individual who is partaking in the event, including both participants and coaches, as well as all pertinent Pop Warner administrators; all of whom shall be admitted free of charge.

ARTICLE 19: PROTESTS

S1: Only protests involving the eligibility of a player or spirit participant shall be considered.
S2: Protests are decided in accordance with the administrative procedures of the League.
S3: Teams, Associations and Leagues have the responsibility to communicate protests as soon as they are known to exist. Lack of prompt notification may result in denial of the protest.

ARTICLE 20: PATCH REQUIREMENT

All Pop Warner participants, football, cheer & dance, and flag, must have the Official Authorized Pop Warner patch displayed on every uniform for games and competitions in order to participate. Football Patches must be placed on left front chest. Cheer & Dance patches must be placed in the designated areas on the uniforms as determined by National. (see patch placement form on popwarner.com) Football uniforms purchased from Dicks Sporting Goods and Cheer uniforms purchased from Rebel Athletic have the Pop Warner patch included. The National PW patch cannot be sublimated or silk screened on uniforms.

ARTICLE 21: MANDATORY BACKGROUND CHECKS

S1: As a condition of service to a Pop Warner league, all Coaches, Board of Directors’ members and any other persons or volunteer workers who have repetitive access to or contact with players and/or spirit participants, must complete and submit an official “Pop Warner Volunteer Application” to their local Pop Warner Association or League. Annual background checks must be completed prior to the applicant assuming his/her duties for the current season, and should be submitted to the League President prior to the start of the current season. Refusal to submit a fully completed “Pop Warner Volunteer Application” annually must result in the immediate dismissal of the individual or denial of participation for the applicant.

S2: Each League shall require and be responsible for enforcing all league and association personnel to annually submit to the
League President a fully completed official “Pop Warner Volunteer Application,” prior to the applicant assuming his/her duties for the current season. The Volunteer Application must include signed permission from the applicant allowing the League or Association to perform the necessary background check. The official “Pop Warner Volunteer Application” shall only be modified in order to comply with local, state, provincial or national laws. Each League shall also require and be responsible for enforcing that an Officer of each member Association complete and submit an official Pop Warner “Association Confirmation of Compliance with Background Checks” affidavit. Each League is required to file an official Pop Warner “League Confirmation of Compliance with Background Checks” affidavit annually with the National Office. All volunteer applications and Association affidavits must be maintained by the League for a minimum of 1 year, but PWLS’ recommendation is for 2 years after the volunteer leaves the organization.

S3: No League shall permit any person to participate in any manner, whose background check reveals a conviction for, or guilty plea to, any crime involving or against a minor. In addition, other charges and convictions may be an indication of an unfit volunteer, and therefore a League may prohibit any individual from participating as a volunteer if the League deems the individual unfit to work with minors, as long as the League applies the same criteria uniformly for all individuals seeking to volunteer.

S4: All Leagues must conduct a nationwide search that contains the applicable government sex offender registry data such as the First Advantage online National Criminal database search, or a government agency sponsored state search of criminal records. Additionally, if a League utilizes only a state sex offender registry check, that League must also perform a national database or a Federal background check search. If a local organization becomes aware of information, by any means whatsoever, that an individual, including, but not limited to, volunteers, players and hired workers, has been convicted of or pled guilty to any crime involving or against a minor, the league must immediately contact the applicable government agency to confirm the accuracy of the information. Upon confirmation of a conviction for, or guilty plea to, a crime against or involving a minor, the league must prohibit the individual from participating in any manner.

Due to the fact that Pop Warner Little Scholars Inc. has no direct operational control over the selection of volunteers, each League shall be required to indemnify and hold harmless Pop Warner Little Scholars Inc. against all legal actions based upon allegations arising from a failure to enforce all or part of this regulation. Failure to comply with all or part of this regulation may result in the suspension or revocation of the league charter, the removal of league and/or association volunteers, ineligibility for participation in regional and national play, and as well as significant legal liability.

J. VIOLATION OF MANDATORY PLAY RULE: Probation unless found to be intentional, then suspension for 1 week.
K. FALSIFICATION OF OFFICIAL DOCUMENTATION: Suspension for 1 year. This would include, but not be limited to: parental consent, medical examination, proof of age, proof of scholastic eligibility, and/or background screening forms.

Upon suspension of any penalty provided herein, an accused shall be placed on probation, among the general conditions of which shall be: (1) that the accused be and remain of good behavior and that he strictly enforce all rules and regulations of Pop Warner; and (2) that the accused prepare and submit to his League his written plan to supervise implementation of the Mandatory Play Rule (MPR).

In addition, a player denied his required number of plays will start the next game and receive double the number of mandatory plays.
in that game. The failure of a convicted coach to comply with this provision will be deemed a second violation.

S2-JUVENILE OFFENSES

Fighting, intimidation, disrespect for authority or blitzing on a kneel down shall be cause for ejection from a game/competition. Any player/spirit participant ejected from any game/competition for cause shall be ineligible for participation in their next game/competition. If an ejection happens during the last game of the current season, the ejected player will serve their 1 game suspension the first game of the following season. A second ejection during the same season shall be cause for removal from the team for the balance of that season. Any participant charged with criminal activity may be removed to ensure the safety of other participants.

S3-TEAM AND ASSOCIATION OFFENSES

A. FAILURE TO KEEP FAITH WITH JUVENILES & PARENTS is defined as any deliberate practice or failure of a team or association which placed the health, welfare and safety of juveniles in jeopardy, or exploits or treats them in such a manner that the juvenile becomes a “tool” of the team.

To file this charge, the violation must result from team or association policy, and not be an aberration of one individual. This implies that the practice is carried out by order of, or with the knowledge of, the officership, and no steps are taken to end it.

MINIMUM PENALTY: Probation of the organization coupled with permanent suspension of its president and all others who participated in the practice. Upon a second offense, suspension of the organization until all officers are removed.

B. FIGHTING/RIOTING/INCITEMENT TO RIOT: Game related: forfeiture of the game for first offense; forfeiture of the season for second offense within the same season. Scrimmage-related: at the discretion of League.

S4–REGIONAL AND NATIONAL PLAY-OFFS

Investigations and hearings concerning Regional and National Championships, Competitions and Play-offs will be conducted by the National Office and/or appropriate Regional Staff in accordance with Pop Warner’s Dispute Resolution Policy as stated in the Administrative Manual and/or communicated by the National Office.

S5-ADDITIONAL OFFENSES

Any and all other offenses which are committed by any party may be subject to the minimum penalty of probation.
PART V - 11-MAN TACKLE
PLAYING RULES

Except as specifically modified for Pop Warner Football, all games are to be played under the state rules (including state adoptions) for varsity football of the applicable governing body—either the individual state member of the National Federation of State High School Athletic Associations or the National Collegiate Athletic Association. It is recommended that each coach have their own copy of the current year’s high school rules. Write to the National Federation at PO Box 690, Indianapolis, IN, 46206, web address: www.nfhs.org or to the NCAA at PO Box 6222, Indianapolis, IN, 46206-6222, web address: www.ncaa.org.

RULE 1: AGES AND WEIGHTS

S1-JULY 31 CUTOFF-LEAGUE AGE
The player’s age on July 31st of the current year shall be the player’s age for the coming season.

S2-OPERATION OF SCHEMATIC
The schematic provides a uniform series of three basic years of age qualification for each division of play, with a fourth year of eligibility falling under more stringent weight restrictions (the “older/lighter” player). The “older/lighter” player is indicated by an asterisk. (See Rule 1, S4) In addition, programs may not arbitrarily eliminate any ages from the divisions, i.e. choose not to allow older/lighters etc.

S3-SPECIAL NOTE FOR MITEY-MITES
Although the game is serious to the kids, from the adult viewpoint, Mitey-Mite is strictly a training division, completely free of any pressure to win, with a total emphasis on learning. A local Champion may be declared. Coaches may remain on the field at the option of the League. A maximum of one (1) coach per team is permitted on the field except during punts.

A. There shall be:
1.) No blitzing
2.) No rushing of punts, field goals or point after touchdown (while attempting a kick) in Mitey-Mite/Tiny Mite play.
3.) No more than six (6) defensive players can be on the line of scrimmage or rush the ball.
4.) Defensive players on the line of scrimmage must be in either a three or four point stance and may not line up over center. Penalty for violation of the above: First violation: Warning; Additional violations: 15 yards unsportsmanlike conduct.

*The asterisked (*) provisions in each division allow the so-called “older but lighter” player to also qualify. The last year of eligibility falls under more stringent weight restrictions, per above. Exception: Varsity/Unlimited Spirit Teams, 11 to 15 Years of Age.

A LEAGUE SHALL NOT ADD THE “IN-SEASON” GROWTH ALLOWANCE AS A MEANS OF UPPING MAXIMUM WEIGHTS OR INCREASING CERTIFICATION WEIGHTS.

---

**RULE 2: INITIAL WEIGH-IN; FIRST PRACTICE**

Until the first practice session, no convenient means will exist for the team to conduct this weigh-in. Its purpose is to serve as one final check of qualification and to screen out for special attention each player whose weight will bear watching by the team staff, the players, and parents throughout the practice period, because it is slightly below the minimum or slightly above the maximum weight for that particular division. Those failing the initial weigh-in will not continue as eligible candidates for the team (See Rule 6). The initial weigh-in is not the certified weigh-in and may be conducted on less than a medical quality scale.

**RULE 3: IN-SEASON DETERMINATION OF WEIGHT**

Each team will have its players checked on Game Day PRIOR TO EACH GAME during the season to assure that the weight standards are being maintained. Agreements between teams/coaches to waive weigh requirements are not permitted.

**S1-IDEAL METHOD**

The ideal method of in-season weight checks can only be used when all playing facilities used throughout the program include dressing facilities. If so, pre-game weigh-ins, in shorts, will be conducted before every game and will be scheduled so that they...
are completed not later than fifteen minutes before kickoff. A medical scale will be used. If not available, a lesser scale may be used if its accuracy can be checked against a weight of know value. The weigh-in will be conducted by a League-assigned Weigh Master.

S2-ACCEPTABLE METHOD
The following alternate method of in-season weight check (with uniform and equipment allowance) shall be used where dressing facilities are not available:

A. A weight allowance shall be established for the wearing of the uniform and protective equipment which will then be subtracted from the player’s total scale weight. In cases of marginal overweight or marginal underweight, the team shall be entitled to a strip weight, in shorts, of the player concerned. Strip weight checks will be conducted in dignity, away from unnecessary personnel.

To facilitate the weigh-in process, the scale should be one that can be set up along "pass" or "fail" limits, i.e., be capable of being preset to balance at the maximum and minimum allowable weights for the particular division of play. In this way, a line of players can step onto the scale and have their weights quickly judged as falling at or below the maximum. Next, the scale can be reset to balance at the minimum "pass" weight so players can be judged to weigh at or above the minimum weight. For judging a player’s weight, all weights shall be rounded to the nearest full pound - i.e., a player weighing less than 1/2 pound above a full pound will be rounded down, while a player at or above 1/2 pound will be rounded up.

B. The following weight allowances for the wearing of equipment and uniform shall be used. All weights are without helmet. Cold climate areas: add 1 pound to all weights given when wearing full sleeve cotton jersey with undergarment.

Tiny Mite & Mitey-Mite...........................................7 lbs
Junior Peewee & Peewee.....................................8 lbs.
Junior Varsity & Varsity......................................9 lbs.
Junior Bantam & Bantam & Unlimited.............10 lbs.

S3-CHALLENGE METHOD
Weight check by challenge or other than above prescribed methods is not acceptable.

S4-INTEGRITY OF WEIGH-IN
Once a weigh-in has been conducted, no equipment shall be exchanged unless the equipment is found to be unsafe, and/or damaged.

RULE 4: IN-SEASON WEIGHT INCREASE
The allowable increase in maximum weight for any division of play shall be calculated as follows, beginning with the first regular season
game: These weight allowances may only be granted after the participant has passed the original certification.

* No more than nine (9) pounds may be added to the maximum weight after the tenth week. Teams cannot add more than 1 pound per week. The above schedule begins with the first week of League scheduled games.

Teams advancing to the Super Bowl will be allowed a one (1) pound increase at the national weigh-in.

**RULE 5: FAILURE TO PASS IN-SEASON WEIGH-IN**

**S1-WEIGH-IN BEFORE EACH GAME:** A player failing a weigh-in will be disqualified from participation in that game only. He may sit with the team on the bench after he has removed his helmet and shoulder pads.

**S2:** Determination of Weigh Master as to the weight eligibility of a player is final.

**RULE 6: CUTTING OF PLAYERS**

In addition to those reasons listed in Articles 8 & 9, any player must be cut who:

A. Weighs 6 or more pounds above the maximum weight for the selected division of play, at the time of the initial practice session.

B. Weighs 3 or more pounds less than the minimum weight for the selected division of play, at the time of the initial practice session.

**RULE 7: CERTIFICATION OF PLAYERS**

In addition to the stipulations found in Articles 10-12, to be certified onto a team roster, a player shall qualify under the following:

A. A player shall meet the age requirements as specified on the applicable age/weight schematic. (See Rule, 1 S4)

B. At certification, a player who fails to make the weight for the team he has been practicing with, but falls into the weight bracket of another division, must be moved to the other division as part of certification.

C. A League shall not add the “in-season” growth allowance to the certification weights as a means of upping the maximum weights or increasing the certification weights.

**RULE 8: ROSTER SIZE**

**S1-MAXIMUM ROSTER SIZE**

Not more than 35 players shall be certified onto a team roster. A team with less than 16 certifiable players will not be permitted to form and play. The League may establish a minimum higher than 16 for a team to be allowed to form and participate.

S2-MINIMUM ROSTER SIZE
A minimum of 16 players must be dressed and eligible to start each game. Also, if you start a game with 16 players, you can finish a game with 15 eligible players. Each League may establish a minimum number higher than 16, but once adopted, it must be kept for the entire season, including post-season bowl games. Each League shall have the option to determine whether or not a team which fails to dress the minimum number of players shall forfeit the game or whether the game shall be rescheduled. Any team which forfeits two successive games by reason of an insufficient number of players shall be investigated by the League for a determination as to whether to forfeit the balance of the season. Please note Pop Warner strongly recommends teams maintain 20-25 players.

RULE 9: PLACEMENT OF TEAMS IN DI/DII/DIII
Leagues & Regions will make best effort to assign teams to DI/DII/ DIII. Below is a list of criteria that will be used by Leagues/Regions to determine where to slot a team.

- Number of Teams at each level per Association
- Coaching Staff (returning/new)
- League Standings
- History in League, Region & National Play-offs
- Super Bowl Participation
- Any questions/issues regarding where to place a team will be decided by Regional & National Offices.

Teams must declare I/II/III by Sept. 15 in the PW Roster System. Once a team has been approved for I/II/III they cannot change divisions unless approved by your Region Director.

RULE 10: MANDATORY PLAY RULE
The following shall be the Minimum Mandatory Play Rule (MPR) for all Pop Warner teams. Each league may set a higher number of Mandatory Plays, but never less than the minimum set by PWLS. All MPRs should be based on eligible players at the time of the game.

Jr. Pee wee thru Bantam: Mitey Mites Only:
- 16-25 players - 10 plays
- 26-30 players - 8 plays
- 31-35 players - 6 plays
Tiny Mites - See Rule 33; S13 for Participation Requirements

A. The plays must be from the line of scrimmage.
B. Kickoffs, extra points, QB intentionally spiking the ball and free kicks shall not be used in fulfilling the MPR requirement.
C. A play shall not count toward fulfillment of the MPR if the play results in a penalty which causes the down to be replayed.
D. All players shall be provided their mandatory plays by participation in "active" plays, without the intent to minimize the action or integrity of the plays. Plays such as, but not limited to, having the center snap the ball to the quarterback, and then the quarterback fall to the ground, take a knee, spiking the ball regardless of whether the ball is moved or not while substitutes are playing other positions, shall NOT be considered as active plays.
E. All players shall receive their mandatory plays by the end of the third quarter, or they shall enter the game at the start of the fourth quarter, and remain in the game until they have received their required number of plays.

F. Failure to adhere to MPR requirements will result in forfeiture of game in addition to enforcement policies outlined in Part IV S1.

Each League shall establish its own system for enforcing the MPR, and must print a simple handout describing its MPR in sufficient quantity so that a copy is made available to each coach throughout the entire League, before the beginning of the season. The Nationally preferred system is that used in the National games.

RULE 11: THE FIELD AND MARKINGS

S1: The home team is responsible for the preparation of the playing field and all required accessories for a game. All fields will be equipped and marked in accordance with high school standards. Lime and other caustics shall not be used.

S2: The bench area is reserved for players, coaches, and authorized team personnel only. The sidelines areas are reserved for the game physician and chain crew, with the balance of the sidelines kept clear except for the presence of medical and law enforcement personnel, and authorized members of the press. Each League shall be permitted to determine on which side of the field the chain crew shall operate. In the absence of a League stated position, the local high school rules shall apply.

S3: The 80-yard field is permissible for Tiny Mites, Mitey-Mites, Junior Peewees, and Peewees.

RULE 12: GAME BALL

S1: The ball shall be of a good grade leather, rubber or composite material with specifications in the area of:

The use of any altered equipment shall result in player disqualification if in a game. Eye black with Logos is permitted.

RULE 15:

BLOCKING AND TACKLING RESTRICTIONS

Both the National Federation and NCAA rule books contain extremely strong language on blocking and tackling. It is the responsibility of every Pop Warner coach to be fully informed of, and abide by, all such rules of the governing body (National Federation or NCAA) under whose jurisdiction his state falls, and to review same every year. In addition to other specific prohibitions in the National Federation and NCAA rule books, no butt blocking, chop blocking, face tackling or spearing techniques are permitted in Pop Warner. If such techniques or any others not in compliance with the National Federation or NCAA are taught and implemented by Pop Warner coaches, said coaches shall be removed immediately. Clipping is illegal anywhere on the field including in the free-blocking zone. This applies to all Pop Warner programs regardless of whether you follow NCAA or NFHS Rules.

**RULE 24: SCORES**

**S1-LOPSIDED/INTENTIONALLY RUN UP SCORES**

Any time a team goes up by 28 points or more, the following will occur:

A. The official clock will become a running clock immediately when the 28th point is scored and once started can only be stopped for injury of a player or at the discretion of a referee. It cannot revert to a game clock operation for the remainder of the game.

B. Once 28-point difference is obtained between the two opponents, the winning team cannot pass the ball or run sweeps outside the tackle. If the winning team fails to abide by this rule, each violation will be a loss of down and a 5-yard penalty. This is at the discretion of the game referee. If at any point during remainder of the game the point difference drops below 28 the clock will continue running; however regular rules would apply, i.e. teams would not be required to run between the tackles etc.. If a 28 point difference is reached again, PW Rule 22 stipulations i.e. running between the tackles etc.. would take effect.

C. There will be no Blitzing by either team once the clock becomes a running clock and the lopsided rule is in effect.

D. There will be no onside kicks at kickoff by the winning team.
E. The winning defensive team cannot advance a fumble or pass interception. The ball is blown dead immediately. The winning offense may start play from the spot of the turnover.

F. The winning team must make every effort to replace starting players with reserves. Failure to do so will call for an immediate investigation and possible one game suspension if found guilty.

G. The losing team's defense cannot have more than 4 players on the line of scrimmage with linebackers set at least 5 yds off the line of scrimmage and defensive backs must be at least 10 yds of the line of scrimmage.

H. Any coach who employs types of plays without the intent to maximize the action of play shall be in violation of this rule.

I. The teams are still required to complete the mandatory play rule.

J. An investigation will be conducted if a game ends with a score differential of 28 points or more.

S2-FULL INVESTIGATION

When the statements of the coaches are in disagreement, the League shall require the Head Coach and all Assistant Coaches of each team to submit written answers to the following questions:

A. What in your opinion caused the lopsided score?

B. Is there any ill will or animosity among the coaching staff of Team A toward the coaching staff of Team B?

C. To your knowledge, have there been any threats between and among the children prior to the game?

D. Has your team ever been involved in a lopsided score before?

E. What actions were taken by the coaching staff of Team A to prevent the score differential from reaching 28 points after it reached 18 points?

Others wishing to implement 6, 8, and 9-man football, which are not in the areas mentioned above, must give reasons for the request and have written permission from the National Football Commissioner.

Rule 5: If a fumble occurs before a clear pass (lateral) and if an offensive player recovers it, he may not carry it beyond the scrimmage line.
Rule 6: If a passer catches his own forward pass, it is incomplete.
Rule 7: All players are eligible to catch a forward pass except the passer.
Rule 8: Kickoffs are made from kicker's 30-yard line.
Rule 9: On an 80-yard field, the ball is snapped after a touchback and is free kicked after a safety from the 15-yard line.
