Ridge family,

I hope this update finds you and your family well.

The Board of Directors appreciates your patience while we have waited to get back on the fields to play ball. The health, safety and well being of our players, coaches and volunteers has always been the highest priority for returning to play this season. Realistically, there is still too much uncertainty, and we cannot guarantee that everyone would be safe from COVID-19. During our Board of Directors meeting this week, the Board voted to cancel the 2020 season.

We are extremely disappointed for all the kids hoping to play, especially those who are aging out of our programs, the twelve year old Majors and the sixteen year old Senior players. For the Majors players, we would love to see you join our Juniors Division next Spring.

What happens next? All remaining players will have their Spring registration fee refunded according to the information posted on the COVID-19 Refunds page at mrl.org. No action is required to initiate your refund. Our registration vendor (Stack Sports / Sports Connect) is providing refunds in the form of digital Visa Gift cards. Stack Sports / Sports Connect will use the email address used to register your player to issue your gift card. The previous refunds issued via this process took approximately ten days to process after we completed our bank transfer. Our hope is to have a similar processing time with the remaining refunds. We are already validating our list of approximately 500 refunds which should be finalized next week and we will publish the processing timeline when we get it from Sports Connect. If you do not receive your refund by September 15th please email us at refunds@mrl.org.

For our sixteen year old Seniors players, thank you for being great representatives of Mountain Ridge Little League throughout your Little League careers. I have had the good fortune to manage most of you at one time or another down on Field 7, many of you who also represented us at the State tournament in Carson City two years ago, and at the Western Regional in Sacramento last year. I cherish the memories we created on the road trips we made and the ball fields that we've played. All Ridge players should aspire to be like you!

Thank you again for your patience, our Ridge families are simply the best. I wish we had a different resolution to the 2020 season, but I hope that next year we can get back to playing baseball.

Kind regards,

Greg
