

SPONSORSHIP

As a valued friend and member of our San Carlos Little League (SCLL) community, you know how much our little league does for the youth of San Carlos. In an effort to help defer the cost of running our league each year, we ask for sponsor assistance. **San Carlos Little League is a 100% volunteer organization and we need your help! 100% of your donation goes directly to the league!** With your generosity as a league sponsor, you will be helping with continued day-to-day operations, field improvements and equipment to over 300 young ball players. Over the years we have seen our registration increase and need your help!

The SCLL Board of Directors has a responsibility to provide a safe environment for our kids to learn and grow. Sponsorships help us provide that opportunity. It is through our sponsorship program we are able to update old and defective equipment, provide capital improvements to our fields and facilities. Most importantly, they help keep the league cost effective for our families. Like all years we are busy preparing for the new season. We are always making improvements for the safety of the players in the league.

Please consider renewing your sponsorship or join us as a SCLL sponsor. We'd love to provide your company with exposure to the many families and friends who visit our field. Attached is an agreement that lists different options for sponsorship. We have a plan that can fit into any budget. **Sponsorship of our league is a wonderful way to give back to the community and target your local customer base...all tax-free, Tax ID #95-3058298.** Thank you for your continued support! Because of you, all children can have a positive, safe, character building experience while playing in our league.

Sincerely,

Mike Schuster, (619) 857-7808
