

General Scholastic Athletic Eligibility Rules / Colorado High School Activities Association (CHSAA)

CHSAA requires that every student-athlete meet the minimum academic requirements in order to participate in high school athletics.

1. Students wishing to participate are required to meet standards of personal behavior and academic performance which are related to school purposes.
2. District 27J student-athletes may have only (1) failing grade **and** must be passing a minimum of (5) classes to maintain eligibility. Students who are not passing a minimum of (5) classes or have more than (1) failing grade (2- D's equal 1 F) when grades are checked for eligibility (once a week on Thursdays) are ineligible for the next full week (Monday – Saturday).

NEW THIS YEAR-----**2- D's equal 1 F** For example:

| | |
|---------|---|
| Science | F |
| English | C |
| Math | D |
| History | B |
| Welding | D |

This student has 1 F and 2 Ds, so would be ineligible for the following week unless the proper appeal procedure is met and accepted. This will hold true when we do regain eligibility checks and when we do semester check for eligibility in January. (see #3)

Coaches may have stricter academic standards for their programs, but must have the policy approved by the Athletic Director and have the policy listed in their team handbook.

3. Regaining academic eligibility. Students must pass and earn credit for minimum of (5) classes in each semester to be eligible at the start of the next semester. Students who do not earn five (5) passing credits in a semester will be ineligible until the date set by CHSAA for regaining athletic eligibility.
