Dear friend of CWLL:

The 2020 baseball season is coming fast, and we need your support once again this season! Our league has had numerous State and District champions over the years and is generally acknowledged to be the premier little league in the state. We have also been to the Little League World Series in 1996 and most recently in 2015! That World Series run could not have been done without the continued support from our parents, league officials and sponsors of CWLL. You have been an integral part in giving the children of western Cranston the best baseball experience possible. With your help, our fields continue to be upgraded to make our complex the best little league facility in the state. Your support will continue our success for years to come! Cranston Western is now proud to announce that we have converted the Sherman Avenue facility to our minor league complex and sponsorship opportunities exist for that location. The final date for accepted sponsorships is **April 15, 2020**.

- 1) **Team Sponsor** – have your company name displayed on the team hat or uniform and be recognized in our 2020 ad book. The cost to sponsor a team is \$400. PLEASE NOTE: Returning team sponsors will be accepted first. If you are interested in becoming a Team Sponsor for the very first time, please contact any of the people listed below prior to sending check to confirm if there is any availability at this time.
- 2) **Ad/Roster/Schedule Book** – place a full, half or quarter page ad in the book that's distributed on opening day to every Cranston Western Little League family (over 400!). The ad costs are as follows:
 - Full Page - \$100
 - Half Page - \$75
 - Quarter Page - \$50
- 3) **Field Signs** – we'll mount a 4' x 8' sign with your ad copy on the outfield fence at our Briggs Complex on Hope Road where they will remain from April until October. This includes viewership during our regular season, all-star season, regional tournament, and fall ball tournaments. The cost for first year advertisers is \$300 (which includes the cost to manufacture the sign) and \$200 for annual renewal.
- 4) **Gold, Platinum and Bronze sponsorships** – see the attached form for details about these new and exciting levels of support!
