

## Your favorite youth sports app has a new name

As of today DICK'S Team Manager will be known as **GameChanger Team Manager!** It's still your go-to app for all your team management needs, but now has all the best features from our #1 rated app, GameChanger Baseball and Softball.

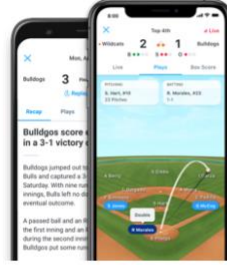

Check out some of our best baseball and softball features that are available on GameChanger Team Manager:

### Live scorekeeping and stat

Monitor pitch counts, track playing time and view in-game box scores with simple, intuitive scorekeeping;

### Starting lineups

Get prepared before you even head to the field! You can now set your starting lineup in advance so that you're ready to score when you get to the field.

[Learn how to use it →](#)

### Stat filtering

Baseball and softball teams can now break down stats by any selection of games that you choose with a flexible stat filter tool available right in the app.
