

The Avon Junior Athletic Association is excited to share our five-year strategic plan for renovations to our park located at 866 S. CR 625 E in Avon. This park has been owned and operated by AJAA since 1970, and requires modernization as our offerings have grown over the past several years. Over the next several weeks we will be launching our conceptual plans for everyone to see what we are working toward. Below, is the list of some of the key improvements with this plan.

- Parking lot relocation to add spaces and increase safety
- Improving playing field layout and condition
- Expanded restrooms to handle the volume of visitors
- Updated concessions to allow an expanded menu safely
- AJAA offices move to fields to allow more accessibility
- Improved conference area for program meetings and drafts

In order to complete this project, AJAA is working with several local contractors to gather anticipated costs for such a project. Early estimations for completion will be well over \$1M, and we will have to work together as a community to find resources. For this reason, AJAA will reinstate its Family Membership Fee starting in January 2020. The fee will be \$50 per family. With this, fundraising will be optional for all families.

However, those who do have an interest in continuing to fundraise for the organization will be rewarded. We will implement a family credit program to offset family fees, up to \$250 per year. Below, you will find the criteria for credits to your AJAA account in 2020:

Head Coach of a recreational program _____	\$25.00
Head Coach of a travel team _____	\$50.00
Assistant Coach _____	\$15.00
Sports Commissioner _____	\$150.00
Serve on a Committee _____	\$25.00
AJAA Board of Directors _____	\$50.00
Concessions Volunteer (2-hour shift) _____	\$20.00
Gameday/Rain Crew _____	\$20.00
Sell trash bags (per roll sold) _____	\$2.50
Raffle Sales _____	10% of net sales

Volunteer credits will be financially backed by the membership fee, concessions sales, reduction in staff, raffle sales and trash bag sales. AJAA is excited to reward those who get involved to help us improve our facilities and provide a higher quality experience.
