

AVON JUNIOR ATHLETIC ASSOCIATION

John McDavid

John McDavid and his wife Pam moved to Avon in 2004, and soon their two daughters were involved in AJAA basketball and volleyball leagues for years. John was active coaching some of the basketball teams during those years. Their younger two children have participated in basketball, baseball and volleyball. Their 14 year old son participated in basketball and baseball (including T-ball) for a few years from approximately ages 5-8; and their 11 year old daughter continues to enjoy basketball and volleyball.

John served on the Avon School Board from 2015 through 2018, including as President in 2018 as he helped lead the campaign for the school referendum. John has been a practicing attorney in Indianapolis and Central Indiana since 1989, representing individuals and businesses throughout the area. The clients have ranged from Fortune 100 companies to neighborhood businesses.

John is proud to join the Board of AJAA and continue to contribute to the community in a meaningful way.
