

Dear 15U-19U (2006-2002) Boys and Families,

In light of CHSAA's announcement that high school boys soccer will now be played in Spring '21, Colorado Soccer Association (CSA) has announced that they will be sanctioning a Fall 15U-19U Boys leagues. We have been working diligently the past few days since these announcements and wanted to give you an update on our Fall '20 season plans. Please take a moment to read through the information below and if you have any questions, do not hesitate to contact our Competitive Boys Director, James Rooks, at jamesr@edgesoccer.net

With our club's mission in mind, we are excited to be able to offer soccer this Fall for our high school age boys (2006-2002) of ALL ability levels in a professionally structured soccer environment enabling players to achieve their highest playing potential through age specific training and games with qualified coaches. The high school boys season has now flipped to the Spring, but our Fall Boys season will be designed and implemented like other normal Spring older boys seasons. Teams will continue to practice 2-3x/week depending on the level of team and compete in games throughout the Fall season. Teams will be led by qualified coaches that normally coach in youth soccer club environments. Rosters will be composed of boys of like ability levels so each player can continue to learn, develop, improve and compete at the game, all while experiencing the many benefits of participating on a team. State Cup, President's Cup and other competitions will take place in May '21 once HS Soccer concludes late April. Below we have outlined what August '20-June '21 looks like at this moment and as more details become known, we will pass along so everyone is up to date. Thank you for your time and we look forward to seeing you all out on the fields in the near future.

Sincerely,

Real Colorado EDGE Staff

Team Coaches

Due to the developments of CHSAA moving boys high school soccer to the spring, we are finalizing coaches for each team and will announce soon.

Team Formation

Players will be placed on teams of like abilities to foster a quality learning and development environment. A lot of consideration will be placed on a player's team and level of play last Spring, but the EDGE staff and team coaches will make decisions on final player placement once the boys come out and play in the initial few weeks. This will be the case for EDGE players and boys who are coming from other clubs or high school teams.

Payment and Fees

We are still finalizing what the program costs and fees will be and will pass that information along in the near future. Regardless of the player fees, we will be spreading out the overall cost in monthly installments (initial deposit, September, October, November, May), so if any period of soccer gets postponed or cancelled due to COVID related mandates, we will stop monthly

payments until we resume play. We hope this gives you the assurance that you will only be paying for the months of EDGE soccer that your son is able to play in.
