

Baystars FC Fundraiser Application Form

This form should be completed (one form per event) and returned to the Baystars FC Events Coordinator Board Member to present to the Board at least two months prior to any Baystars FC team fundraising efforts. This is to prevent duplication of efforts between teams and/or the club. It is also to ensure that a team has completed all required paperwork prior to any activity. Expedited approval may be accommodated on a case by case basis.

Please submit completed applications for approval to: Kristi Bell (Baystars FC Events Coordinator) or Crystal Thompson (Baystars FC Managers Representative).
