

2020-2021 Corporate Sponsorship Program

Thank you for considering a corporate sponsorship for the Lambert Girls Lacrosse program. This year, our program will provide sponsors with more opportunities to connect with Lambert families and visiting guests. If you have any questions about this program please reach out to our Sponsorship Committee Chair, Lisa Hill at cresshill325@gmail.com. We look forward to partnering with your business for the spring season of Lambert Girls Lacrosse.

Why Sponsor?

Sports programs are not funded by the school, they are funded by the participating families. In order to keep costs down for families we partner with local businesses who provide sponsorship funds to help offset the costs of running the program in exchange for high visibility for the business, excellent publicity and options for community involvement.

Every year the Lambert Girls Lacrosse program funds equipment purchases (nets, goals, balls), team transportation, and field maintenance and more.
