

## **Southern WV Adult Soccer League (SWVASL)**

League Guidelines  
Effective 8/19/2018

### 1. League Organization

#### a. Administration

- The SWVASL is a non-profit organization managed and run by league players, operating under the oversight of the WV Soccer Association.
- Outreach and Publicity Coordinator
  - Responsible for recruiting new players and teams to the league, posting league information on social media, and seeking funding through advertisements.
- Registration and Scheduling Coordinator
  - Responsible for managing Affinity online registration system, scheduling games, entering game results, and coordinating with referee assignor.
- Discipline Coordinator and Legal Counsel
  - Responsible for chairing the disciplinary committee, rendering final decisions on disciplinary actions based on committee input, and reviewing other legal business of the league.
- Referee Assignor
  - Responsible for identifying eligible referees and assigning them to games.
- Disciplinary Committee
  - Committee membership will consist of the league coordinators and other appointed members, based on need.
- Other ad-hoc committees will be created at the discretion of the league coordinators.
- At least one captain's meeting will be held prior to the start of each season and additional meetings will be scheduled, as needed.

#### b. Game Location

- All games will be played at the Shawnee Sports Complex.
- Makeup games may be played at Trace Fork Soccer Complex, as needed.
- All games will be played on turf fields (cleats are permitted).

#### c. Game Days and Times

- All games will be scheduled on Sundays at 3pm, 5pm, or 7pm. Exceptions may occur in the event of makeup games or based on Shawnee Sports Complex field availability.
- The Spring Season will begin on the 1<sup>st</sup> or 2<sup>nd</sup> Sunday of March and end prior to the 2<sup>nd</sup> Sunday of June. No games will be played on Easter or Memorial Day weekend.
- The Fall Season will begin on the 3<sup>rd</sup> or 4<sup>th</sup> Sunday of August and end prior to the 3<sup>rd</sup> Sunday of November. No games will be played on Labor Day weekend.

- d. Open Division
  - Male and female players age 18 or above<sup>1</sup>.
  - All games will be primarily scheduled on Sundays at 1pm or 3pm.
  - There are 8 regular season games with the top 4 teams making the playoffs.
- e. Over 35 Division
  - Male players age 35 or above<sup>1</sup>, female players age 18 or above<sup>1</sup>.
  - A maximum of 9 male players are permitted on the field for each team and the other 2 must be female. If a team does not have 2 female players, they are not permitted to fill the vacancies with male players.
  - Upper Tier teams are permitted to roster up to 2 male players between the ages of 30 and 34<sup>1</sup>.
  - Lower Tier teams are permitted to roster up to 4 male players between the ages of 21 and 34<sup>1</sup>. However, male players aged 21-29 are not eligible if they played soccer for a collegiate team or are crossover players from the Open Division. A maximum of 2 male players age 34 or younger are permitted on the field at the same time.
  - Slide tackling is not permitted.
  - Division is divided into an Upper Tier and Lower Tier.
  - The Upper Tier has 9 regular season games with the top 3 teams making the playoffs.
  - The Lower Tier has 8 regular season games with the top team making the playoffs.
  - All games will be primarily scheduled on Sundays at 3pm or 5pm.

## 2. Team Captains and Duties

- a. Each team must appoint a captain and vice-captain. Subsequent references to “captains” refer to both the captain and vice-captain.
- b. Captains are responsible for overseeing the general workings of their team, including:
  - Attend SWVASL captain’s meetings.
  - Inform team members of league business, rule changes, and any other pertinent information.
  - Assume responsibility for ensuring members of your team are registered.
  - Ensure that team members are aware of the game time and verify sufficient numbers to field a team by 12:00pm on the Thursday before the game. If insufficient numbers are anticipated and the team is likely to forfeit the game, communicate this information to the SWVASL Registrar.
  - Make each player aware of the uniform requirements (wearing shin guards and removing jewelry). Jerseys must be uniquely numbered and match the team color.
  - Notify SWVASL Registrar to obtain permission to change jersey colors to ensure that the color is not already used by another team in the division.
  - Make each player aware of the (IFAB and SWVASL) rules and regulations that govern the game.
  - Set an example of sportsmanship, and teamwork – with your team, opponent, match officials, and with the league.

---

<sup>1</sup> Player ages are evaluated on the date of the first game of the league season. Example: if the first game of the fall season is on August 15, then the player must meet the minimum age requirement on or before August 15.

- c. Captains are responsible for game preparation and in-game duties, including:
- Check to be sure that a minimum number (7) of players can attend your match.
  - Ensure that all players are wearing jerseys with unique numbers with matching colors. The goalkeeper should contrast with both teams. Ideally, socks should also contrast between the teams.
  - Check in members of the opposing team at least 15 minutes before the scheduled game start time. Current rosters with first and last names will be provided by the league for each game and the opposing team captain must list the player number and verify their photo ID. For the Over 35 league, captains of the opposing team will ensure that players on Lower Tier teams that are under the age of 35 are wearing a wristband. If a player arrives late to the game, they must check in with the opposing team prior to entering the field of play. If there are no substitute players on the opposing team's bench to check a player in, the player will be checked in by a nearby player at the next stoppage of play.
  - Provide a game ball for each match.
  - Participate in the coin toss.
  - Represent the team to the referee during the match.
  - Take responsibility for team behavior and attitude on the field to other players and the referees.
  - Fill out a Captain's Report after each game and submit it and the opposing team's roster to the SWVASL Registrar within 48 hours of the game completion.

### 3. Other League Guidelines

#### a. Registration and Playoff Participation

- Players are permitted to register at any point in the season, but must be officially registered prior to the scheduled start time of the first game in which they play.
- Players must be registered for at least 4 of their team's regular season games and participate in at least 2 of their team's regular season games in order to participate in playoff games.

#### b. Game Start and Duration

- Referees should promptly start the game at the scheduled time. If teams are not ready to play, the referee still starts their game watch at the regularly scheduled game time, and this delay time will count towards the game time in the first half.
- Each game will consist of (2) 45-minute halves with a 10-minute halftime. At their discretion, referees may allow a 5-minute break at the mid-point of each half for player safety (e.g., high temperature).

#### c. Regular Season Game Scoring

- The winning team will be awarded 3 points. The losing team will be awarded 0 points. In the event of a tie, each team will be awarded 1 point.
- In the event of a forfeiture, a score of 3-0 will be recorded for the non-forfeiting team.
- Goals scored and goals allowed will be recorded for each game and factor into the tie-break system for playoff seeding. The maximum goal differential that will be awarded for a game is 5 goals.

- d. Game Forfeitures
  - If a player is found to have not checked in before entering the field of play, their team forfeits the game.
  - If an unregistered player is found to have participated in a game, their team forfeits the game.
  - If a team is not able to field 7 players within 15 minutes of the scheduled match time, that team forfeits the game. Exceptions can be made for extenuating circumstances when mutually agreed between the captains of both teams and the referee, but cannot exceed 25 minutes beyond the scheduled match time.
- e. Game Cancellations
  - Cancellations prior to match time (due to inclement weather or other unforeseen circumstances) will be communicated by SWVASL directly to the captains by text message and announced to the affected teams by email and social media outlets.
  - The decision to cancel games will be made by SWVASL. Games at the Shawnee Sports Complex will only be cancelled in the event of lightning or other unsafe conditions. Referees will suspend matches at the fields in case of lightning or other unsafe conditions.
- f. Rescheduled Games
  - Games that are cancelled due to inclement weather will be replayed on a mutually agreed day and time within 14 days of the originally scheduled date. The only exception is the final game of the regular season with playoff implications, or a playoff game, which must be played within 6 days of the originally scheduled date, so it does not affect the subsequent game. Exceptions to both of these rules may be applied at the discretion of the SWVASL for extenuating circumstances.
- g. Yellow and Red Cards
  - Yellow cards and red cards awarded in each game will be communicated by the head referee of the match via the Referee Match Report within 48 hours of the game completion, which is submitted to the SWVASL Registrar.
  - Players that accumulate 3 yellow cards in a season must sit out the next match played by their team. Players that accumulate 5 yellow cards must again sit out the next match played by their team. For every additional yellow card that player receives (6 or more total), they must sit out the next match played by their team. The first yellow card received in any match will count towards the player's total yellow cards for the season. A second yellow card in the same match will not count towards the season total, but will be counted as a red card.
  - Players that receive a red card must sit out the next match played by their team. Players that receive 2 red cards in the same season must sit the next 2 matches played by their team. Players that receive 3 red cards in the same season will be suspended for the season and possibly banned from the league pending Disciplinary Committee review. Any red cards received at the end of the season will carry over to the next season. The Disciplinary Committee will review all red cards and has the discretion to issue further sanctions, depending on the severity of the offense.
  - For crossover players in both the Open Division and Over 35 Division, cards received in each division only pertain to that division.

h. Dissent and Foul Language

- Referees will be instructed to manage the game in a way that will discourage dissent, as it has no place in this league. Dissent will be interpreted by the referees, as guided by the U.S. Soccer Grade 7 Referee guidelines, which can be accessed using the link below:

[www.brainshark.com/ussoccer/vu?pi=zJ3zQpmjyz31xyz0&nodesktopflash=1](http://www.brainshark.com/ussoccer/vu?pi=zJ3zQpmjyz31xyz0&nodesktopflash=1)

In summary, referees will deal with dissent when it becomes Public, Personal, and Provocative.

- Public -- are the player's actions public in nature? How widely can the player's language be heard or gestures be seen?
- Personal -- is the protest aimed specifically at the referee, or is it instead general in nature?
- Provocative -- are the comments and actions likely to incite further misconduct or conflict on the field?

Language or gestures which are "offensive, insulting or abusive" merit a send-off, with a ZERO tolerance policy toward language which is racist or discriminatory in nature.

- Referees will issue a warning for the first offense of foul language and a yellow card for each subsequent offense. Shawnee Sports Complex is a family-oriented environment and players should be respectful of others on and off the field.

i. Playoffs and Seeding

- The top 4 teams in the Open Division will participate in a two-round playoff with #1 vs. #4 and #2 vs. #3 in the first round and the winners of those two games playing a single championship game.
- The top 3 teams in the Over 35 Division Upper Tier and the top team in the Over 35 Division Lower Tier will participate in a two-round playoff with #1 Upper vs. #1 Lower and #2 Upper vs. #3 Upper in the first round and the winners of those two games playing a single championship game.
- Seeding is based on the following: (1) Overall record, (2) Head-to-head record, (3) Tier record (Over 35 Division), (4) Goal differential (maximum 5 goals/game), (5) Goals allowed, and (6) Goals scored.

j. Over 35 Division Promotion

- At the end of each season, the top-seeded Lower Tier team will be eligible for promotion to the Upper Tier if both of the following conditions are met. (1) In the head-to-head match between the top-seeded Lower Tier team and the lowest-seeded Upper Tier team, the Lower Tier team won by final score or forfeit. (2) The Lower Tier team wants to move to the Upper Tier, as indicated by the team captain based on input from the team members.
- If the top-seeded Lower Tier team is promoted, the lowest-seeded Upper Tier team is relegated to the Lower Tier.
