

Mavericks Baseball Club Scholarship Application

Mavericks Baseball Club provides player fee scholarships to local athletes, who without financial assistance would not otherwise be able to participate in our select baseball program. The Mavericks Scholarship Assistance program focuses on providing opportunities for youth to fully participate in baseball training, both physically, mentally, and in character-training benefits that our program can offer. Scholarship assistance will be dependent upon the amount of funds available and the actual need shown.

Please be aware that our Mavericks Baseball Club Scholarship Funds are limited! Due to the limited amount of funds we have allocated for scholarships, we are asking those families that can afford to utilize an option of monthly installment plans to please do so rather than receiving scholarship assistance. To discuss a payment plan please contact your designated Team Administrator.

Mavericks does not offer scholarship assistance for FULL player fee amount. Partial scholarships may be available to those who apply and are deemed eligible by Mavericks Scholarship Committee. Awards of assistance are NOT guaranteed to every applicant.

Requirements for eligibility:

1. Commitment to attend a minimum of 80% of scheduled practices, winter workouts and scrimmages/tournament games. If a returning Maverick, prior attendance record of 80% or more is required absent extenuating circumstances.
