PLAY BALL!!!

The cold of winter will soon leave us yet again and that familiar phrase will sound when the Spring 2020 Little League season begins! So grab the peanuts and Cracker Jacks and join us!

This past season, the Jeff/GRC (George Rogers Clark) Little League provided instruction, guidance, and most important, **FUN** to over 500 children in the Jeffersonville area. In the past few seasons, we've kept the championship tradition going for Jeff/GRC with the 2017 Boys Major Baseball State Title, 2018 Boys Junior Baseball State Title, and back-to-back in 2017 & 2018 Girls Junior Softball State Titles in the leading District in the State. Last season we also added District Titles in Minor Baseball and Junior Baseball, with our Minor Baseball team moving on to place 3rd in the State!

The children on those teams brought back more than titles and banners to hang. They built friendships and made memories that will last for years to come, and they could not have had those experiences without the generosity of the community! I'd like to thank all of last year's sponsors for their wonderful contributions to our league, we look forward to partnering with you again this season to help build our youth into future leaders of the community!

This year we're offering several packages as possibilities for your company to help us in our efforts. Please look over the sponsorship options detailed below:

If you would like to be a part of this upcoming season’s contribution to the youth of this community, see the form included with this letter. Fill out and mail the form along with payment to the Jeff/GRC address listed on the form by March 1st, 2020.

As you might imagine, it takes numerous of volunteers each season to make it a success, from coaches to concessions, grounds keepers to umpires. If your company cannot contribute in a monetary fashion, we are always looking for volunteers to assist with field maintenance, running concessions, coaches and assistant coaches, as well as new and innovative ways to use the Little League to reach out and grow in the community. We hold open Board Meetings and welcome the input of the community on ways to improve the opportunities for the youth of Jeffersonville. Those leagues that are most successful become that way with the work and support of their communities. I would love nothing more than to see Jeff/GRC continue to grow and provide memories for not only my children, but all children for years to come. With your help, that can become a reality! We look forward to your partnership!

Sincerely,

Justin Hardin
