

2021 East Redding Little League Scholarship Form

Dear Parent or Guardian,

The East Redding Little League board of directors has recently voted in a scholarship program to help families in the community pay for Little League expenses. East Redding Little League and Little League International believe that every child that wants to play baseball/softball should have the opportunity. Please do not let financial means, lack of work, or medical expenses stop you from letting your child play. Through generous donations and sponsors we are able to increase the size of our scholarship account. Basically 10% of all Sponsorships/Donations are placed in the East Redding Little League Sponsorship Fund.

East Redding Little League offers a fun and competitive experience for boys and girls ages 4 through 16. Our program focuses on the development of baseball/softball skills, teamwork, sportsmanship, perseverance and a love for the game; all in a fun, family-oriented atmosphere. Our home field for baseball is Alta Mesa Park behind Alta Mesa Elementary School. Our home field for softball is Rother Elementary School.
