

Team Basket Coordinator Packet
Thank you for your participation and support!

Here are some guidelines to help make this a success:

1. Determine the theme of your basket.

The theme can help narrow down what you need for your basket items.

2. Make a list of items for your basket.

Plan out what items you would like to have in the basket. Decide what items you are going to ask for from the team families and which ones you may get donated.

3. Email the team families with the items you need for the basket.

As soon as you have your theme selected, let the families know what items or services are needed. It is a good idea to give them the option of a small monetary donation, allowing you purchase the items.

4. Seek any other donations that may be needed

Enclosed is a solicitation letter you can use when seeking donations.

5. Prepare basket for opening day.

As soon as you have all your basket items, creatively display them in a basket (cooler, bucket, wagon, etc.). If you need assistance with wrapping your basket/items, please be sure to contact the coordinator. Once your basket has been finalized, put a label on the bottom with your age group and team name, and complete the BASKET DETAIL form included in this packet.

6. Distribute Raffle Ticket Information to families

Raffle tickets can be purchased on-line prior to opening day and picked up at opening day.

We will do our best to deliver the majority of pre-ordered tickets to you at a practice before opening day.

****\$200 prize will be given to the team that collects the most tickets, to be used for your end of the year party!!!**
