To Whom It May Concern:

Lawrence County Young Guns is a youth sporting clays team that provides youth athletes in our community with the opportunity to learn and compete in the shooting sports. Training in association with the Scholastic Clay Target Program (SCTP) provides a supportive team-based environment that emphasizes positive character traits and values that support today's youth and create tomorrow's leaders.

We are a state registered 501(c)(3) nonprofit organization that operates through the effort of volunteers, including our highly trained coaches, and the generosity of our supporters. Donations enable us to purchase safety equipment, targets and ammunition for training, as well as registration and travel to state and national competitive shoots for our athletes.

We are grateful to our donors who allow our athletes to learn and grow in the shooting sports. This year our goal is to raise \$50,000, enough to support a team of 50 athletes. Thank you for considering a contribution to support our team.

- *Gold Sponsor \$1,000 supports one athlete for the season, Receives 4 Tickets to LCYG Benefit Shoot
- *Silver Sponsor \$500, Receives 3 Tickets to LCYG Benefit Shoot
- *Bronze Sponsor \$250, Receives 2 Tickets to LCYG Benefit Shoot
- *Friend of the Team \$100. Recognition at LCSA for the season
- Other – we appreciate any amount to support our youth athletes

Please visit <https://www.lcyoungguns.com> for more information and to make a donation online.

Thank you for your support. If you would like to get involved in Lawrence County Young Guns in another way, please feel free to contact me.

Respectfully,

Keith Cannon
Head Coach
