

How to Edit/Add Practices

(all changes should be made on PWYB.org not on the app)

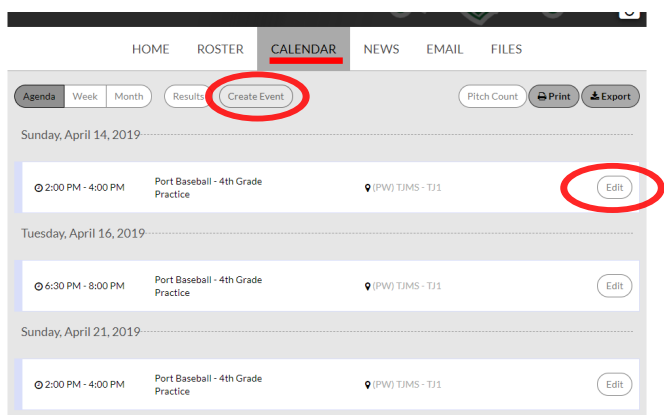

1. Login

2. Select your team from Travel Ball or Rec League

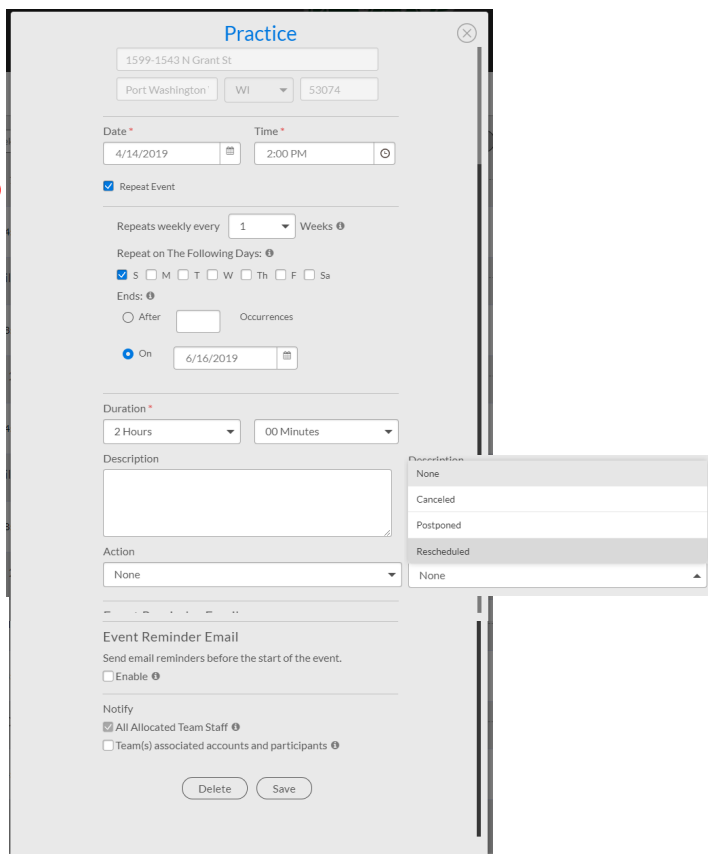

3. Select Calendar > Create Event or Edit

Add or edit the practice info.

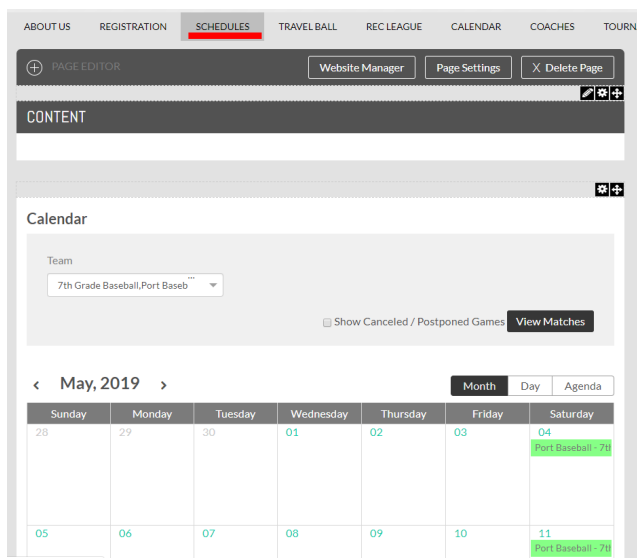

Select 'Action' to cancel.

Uncheck the event reminder unless you want emails sent

4. After any schedule changes go to the app and select calendar and re-import in upper right corner

To just view the schedules (without having to login), select schedules from the home page

Select your team to see games and practices
