

2020 Spring Season - Majors Rules at a Glance

- Mercy Rule:** 10 runs after 3 ½ (home is leading) or 4 (visitor is leading) innings.
- Player Rotation:** No player shall sit out defensively more than 1 inning consecutively unless due to injury. Each player must play at least 1 full inning in the infield in a game. **Penalties apply for not following playing time rules: See Full Rules**
- Int'l Walks:** Permitted. Defensive manager notifies umpire. Pitcher doesn't make any pitches, but 4 pitches are added to his pitch count.
- Min. Players:** 9 players are needed to start a game, 7 of which must be from the team. Players may get call-ups from the Minors division (through the Player Agent) to make 10. If at the start of a game, or at any time during a game, either team is unable to place 9 players on the field, the game is officially a forfeit, which will be counted in the standings as a 6-0 result.
- Scorekeeping:** The official scorekeeper and keeper of the pitch count is the home team scorekeeper. If there is a discrepancy in the score, the home plate umpire's score prevails. The visiting team is responsible for designating someone to operate the scoreboard for the entire game.

Pitching

- If a pitcher hits 3 batters in one game, he/she must be removed as a pitcher.
- Manager Visits to the Mound: See Full Rules
- Pitcher wearing glasses, jewelry, other distractions: See Full Rules

Bats

- All non-wood bats must bear the USA Baseball insignia, or they will not be allowed in the dugout.
- If an illegal bat is used, the manager may either have the batter called out or take the result of the play, as long as he makes the claim of an illegal bat before the next batter steps into the batter's box.
- First violation: offensive team loses an adult base coach for the game. Second violation: Manager ejected.
- If an illegal bat is used in a subsequent game, the manager will be immediately ejected from the game, and may be subject to further discipline by the Executive Board.

Offense

- **Sliding:** A runner is out when the runner does not slide or attempt to get legally around a fielder that has the ball, or in the umpire's opinion, about to receive the ball in order to make a tag. No head first sliding unless diving back to a base.
- **Dropped 3rd Strike:** A runner may advance on a dropped 3rd strike if there are less than two out and first base is open. On a dropped third strike with less than two out and first base occupied, the batter is automatically out, but baserunners may advance at their own risk. It is not a force play. With two out, it is a force play for the following situations: man on 1st; men on 1st & 2nd, bases loaded.
- **Overrunning First:** A batter who overruns first base and turns into the field of play is not automatically out if tagged – only if ump determines the player was making an attempt to advance to second base.

- **Batter hit on hands:** A batter hit by a pitch on the hands is awarded first base as he would be if it struck any other part of his body. It is only a foul ball if the batter attempts to swing at the pitch or his hands were in the strike zone.
- **Throwing bat:** Batter and the batter's entire team is given a warning but not called out. However, for the remainder of that game, any batter from that same team that throws a bat will be called out.
- **Injured Player:** If a player is injured in the field, and is due up to bat in the following inning, his spot is skipped over without penalty. However, if the injury occurs during that player's at bat, then the player who made the last out will bat for the injured player assuming the count when the original batter was injured. If a player is injured while on the base paths, the player who made the last out replaces the injured player.
- **Courtesy Runner: No courtesy runners are allowed (except for injured players).**
- **Runner Leaving Early:** A baserunner attempting to steal a base before the ball has crossed the plate will be sent back to his base and incur a warning from the umpire. Thereafter, any baserunner from the offending team will be called out for the same violation. (The opposing coach may instead choose the result of the play). The same applies to a baserunner illegally leading off.

Defense

- **Obstruction:** If a defensive player blocks a base or base line without possession of the ball, a delayed dead ball is called, and a runner may be declared safe even if the apparent result of the play was an out. However, a runner will not automatically be awarded an extra base(s) if he did not attempt to take the extra base when the ball was in play.

Manager/Coaches

- No more than 3 coaches on the field/dugout (including Manager).
- There must always be at least one adult in the dugout at all times.
- Only the Manager may talk to the umpires.
- **No adult can warm up a pitcher at home plate or in the bullpen.**
- Managers must sign the official scorebook and Pitch Count Summary after each game.
- Both managers must submit the final score by e-mail to scoresforsoll@gmail.com within 24 hours of the game. The opposing manager should be cc'd.

Dugout / Safety

- **No siblings, batboys/girls, etc. allowed in dugouts**
- Catcher's helmets must have dangling throat guard
- No jewelry allowed, including necklaces
- **Only the first batter of each half-inning is allowed outside the dugout between half-innings.**
- No player (including the on-deck hitter) may have a bat in his/her hand unless it is his/her turn to bat.
- Only on-deck hitter may sit in the uncovered area of the dugout, and that player must wear a helmet. All other players must stay under the covered portion of the dugout.
- No gum or food is allowed in dugout or on the field. Water, sports drinks, and sunflower seeds only.

Sportsmanship

- **Players who throw equipment in anger, including bats, helmets and gloves, are subject to warning and/or ejection, at the sole discretion of the umpire. A first offense results in a warning to the entire offending player's team. A second offense, by any player on the warned team, may result in that second offender being ejected from the game.**

Field Maintenance

- Home team chalks the field before game. Visiting team drags and waters after.
- Make sure your dugout and stands are clean for the next game.
