8 AND UNDER SUPPLEMENTARY GROUND RULES

- A. Ten (10) players are used on defense (six on the infield and four in the outfield). There is open substitution throughout each game with all batters batting. No one will sit consecutive innings.
- B. There shall be no infield fly rule or dropped third strike rule. Stealing is limited to one (1) base per pitch. Home plate is closed. Runners may take their lead after the ball has left the pitcher's hand. If an attempt is made from third to steal home on a pitch: if the runner reaches home safely, the runner will be returned to third base. If the runner is put out at home, the runner is out.
- C. The pitcher should have both feet on the rubber while beginning her pitch.
- D. The League must very clearly inform 8 and under managers that until the ball is firmly caught in the pitcher's circle, the ball is live. This means on a batted ball that runners can continue around the base path until the pitcher has the ball. This also means that the runner can take the base they are heading for if the pitcher gains control while they are running. This also means that runners can advance even while the infielders or outfielders are throwing the ball to the pitcher. The importance of this rule cannot be stressed enough. During All-Stars, the girls can be quite overwhelmed by tactical base runners.

- B. When a ball is pitched by an adult pitcher, the pitcher from the opposing team must remain behind the pitching rubber with one foot inside the circle until the ball is hit. If the opposing pitcher moves in front of the pitching rubber before the ball is hit, a "dead ball" play is called and the batter returns to the plate. If a batted ball strikes the adult pitcher, a "dead ball" is called and the batter returns to the plate (do over).
- C. Batters may not bunt during a Coach pitch.
- D. Coaches and Managers for the defensive team will be allowed in the outfield only. Only two are allowed on the field at any given time. This rule applies for the First Half of the season only. No coaches are allowed on the field during the second half of the season.
