

Pennridge Little League Meeting - Agenda Jan 6, 2020

Call to order: 7:30 Pennridge Youth Baseball Mission Statement

Through the sport of baseball, Pennridge Little League will implant a sense of honor, integrity, family values and a respect for authority and of one another. This will help develop a winning attitude in all aspects of an athlete's life. We will instill these values by the application of nurturing instruction, friendly competition and providing a sense of teamwork. The application of these virtues on and off the field will develop the basics for future growth, opportunity and friendship that will benefit the athlete, team and community. We believe these principles to be true; regardless of an individual's abilities, and that these goals will ultimately provide success to each athlete!
