

MAA Competition Team Agreement

We believe that competition cheerleading is a rewarding and exciting sport that teaches teamwork, dedication, sportsmanship, leadership, and hard work.

Please remember and consider the time and commitment this sport will require from both the athlete and parents in addition to sideline commitments. Cheerleading is a team sport, and one's person's inability to follow through on their commitment affects the entire squad.

Attendance for all scheduled competitions is mandatory. Attendance at practice is **crucial** to the success of the team. **Athletes are allowed 3 unexcused absences from the time competition practices begin to the date of our last competition.** Additional unexcused absences may be grounds for dismissal from the competition program. All summer absences due to family vacation/visitations must be submitted in advance to your coach. This activity will require additional practices at a cheer gym in order to use competition mats with lines.

Help us teach the importance of commitment, follow through, and dedication to your children so the MAA cheerleading program can continue to succeed! GO MIDLO!

I have read the above and agree to abide by such as a condition to participate on the competition team with Midlothian Athletic Association.
