**Pasco Little League Code of Conduct  
For Managers and Coaches**

Pasco Little League was created with the intention of creating a wholesome environment for youth baseball. In addition, Pasco Little League will try to instill good sportsmanship and citizenship and a sense of responsibility in the youth of Pasco. Accordingly as a manager or coach your conduct should set an example for players and spectators. Pasco Little League expects all volunteers to exhibit behavior that exemplifies and promotes that for which Little League stands. The following items are expected of coaches and managers when at practice or at the Little League Fields.

1. No cursing or abusive language.
2. The use of illegal drugs or alcoholic beverages is prohibited before or during practices or games.
3. No use of tobacco during practices, games, or on Little League property.
4. Coaches and managers will not use physical or verbal abuse against any child or parent.
5. A positive attitude will be exhibited toward players, other coaches and manager, parents, umpires, spectators, and league officials.
6. "Put downs" of players is not acceptable. Under no circumstances will a player be made fun or downgraded either by a manager, coach, spectator, opponent, or fellow player. Positive aspects should be accentuated.
7. Managers and coaches will be advised of meetings as they are scheduled. Failure to attend these meetings does not excuse managers and coaches from lack of knowledge of what was discussed at these meetings. It is the responsibility of the managers and coaches to contact a board member to find out what took place.
8. Pasco Little League uses junior high and high school age "kids" as umpires. The managers and coaches are the adults on the field. Coaches and managers will not argue out loud, heckle, or show disrespect for umpires. A team manager may request "time" from an umpire. Upon having "time" granted, the team manager may approach the umpire to discuss a rule or call. The discussion is to remain civil and respectful at all times.
9. If a manager or coach is requested to leave the field by an umpire or one of the board members on duty, he/she will immediately leave the premises without incident.

**First offense is subject to a one game suspension. Second offense is subject to termination of position. All decisions based on board approval.**

Parents, family and friends are encouraged to support their team. Loud or derogatory remarks against players, managers, coaches, umpires, or league officials will not be tolerated. On rare occasions managers or coaches may be asked to quiet down fans on their side of the field.

Thank you,  
Board of Directors, PNLL
