BOYS LACROSSE SPRING SEASON 2019

Dear Community Partner,

The Hamilton Township Lacrosse program provides an opportunity for dozens of young athletes in Hamilton Township, as well as athletes in surrounding communities, the chance to participate in one of the fastest growing organized athletic events.

We take pride in our program, but it is very expensive to organize and run this sport. Goalie equipment, nets, balls, jerseys, insurance, tournament fees and trophies are just some of the many expenses.

In an effort to control operation costs and keep this sport to be affordable for all families we need your help! Please consider sponsoring our program. For a **tax-deductible contribution of only \$250.00** your company will see their business advertised on a professionally designed full color field flag, receive social media promotion and promotion within our app and a listing on our website.

We realize that you are approached many times throughout the course of the year to donate to many organizations. Please consider the Hamilton Township Boys Lacrosse program one of the best contributions you can make and rest assured that **100% of your donation goes directly to serving the children in the community.**

Not only do we provide a safe environment for our children, but we also teach them life skills and lessons that they will use for the rest of their lives.

We thank you for taking the time to consider our organization's request. With your support we can move forward in our quest to grow our program into one of the best in South Jersey. We look forward to working with you now and in the future.

Sincerely,

Jason Bishop
