

KEARNEY SOCCER CLUB  
Micro Soccer Coaching Responsibilities

PROGRAM GOALS:

- The primary focus is to promote soccer as a fun activity in a safe and enthusiastic atmosphere.
- Soccer skills techniques introduced: 1. Dribbling with inside of feet. 2. “Magic spots”: inside, outside, bottom and top of foot. 3. Trapping with side of foot. 4. Kicking with accuracy. 5. Throw-ins. 6. Simple concepts of the game.
- Teamwork and team spirit should be encouraged along with social opportunities.
- Micro Soccer is the first introduction for players and parents to the Kearney Soccer Club, and thus it is important that program meets or exceeds expectations.

YOUTH COACH:

- The Youth Coach is the primary coach of team.
- The Youth Coach should provide the initial instruction for the drills and games.
- The Youth Coach should have the ability to demonstrate skills.
- The Youth Coach needs to thoroughly understand the practice drills planned each day.

PARENT COACH:

- The Parent Coach should provide necessary assistance to the Youth Coach in all aspects of practice.
- The Parent Coach should play a large role in keeping the team attentive and involved.
- The Parent Coach may need to assist the Youth Coach in practice organization details.
- The Parent Coach is the primary person to deal with player behavior issues.
- For continuity, it is important that the Adult Coach be at every practice. If you know you will be gone one week, please talk to the other parents before, to see if anyone is willing to step in for you on that occasion.
