Team Information:

Nebraska United teams are comprised of players born in 2002-2006. Players will be split, by birth year, in to 2 or 3 teams. Consideration will be given to player ability. Team placement for this team and all of our teams will be made during the last week of June/first week of July – depending on the Nebraska State Soccer team formation guidelines. The roster for each team could consist of 18-22 total players. Only 18 players may participate in each game, determination of the roster for each game will be made based on availability, ability and positional need.

What to do now: Interested players will need to complete the Pre-Registration form (~~link~~ [UNITED](#)) by June 7. Players will be notified in July as to which team or roster they have been assigned. To accept the position on the team players will need to register with the Kearney Soccer club by June 30 and make the initial fee payment on June 30. Playing time is not guaranteed, there is no policy of providing a minimum number of minutes or a percentage of game time to each player.
