

Nebraska Select

Fall 2021 – U15 Academy

Team Information:

For our players born in **2007 & 2008**. This age group will operate in an Academy system with all players training together. Teams will not feature permanent rosters and players will have the ability to move between the teams.

League - We will field two teams in the NYSL, one playing at the Premier 1 level (Red) and the other at the Premier 2 level (White). The schedule will be aligned so that both teams will play on the same date and at the same location. Some players may play in both games on a given date; rosters will not be the same week to week.

Tournaments – Players will play in a minimum of three tournaments.

Numbers – Based on spring rosters, our expected starting point will be a pool of 30 players. The pool should not exceed 40 players at any time. Players in this age group will be considered for movement to any older Nebraska Select team as needed.
