

# Century North Soccer

---

## Sponsorship Tiers

Century North is now accepting official sponsorships! One of the most important relationships our team and club has is that with the local community. Not only can we provide local businesses with the opportunity to support their own athletes and families, but we look forward to creating more awareness about our amazing local businesses.

We are extremely proud of the community based network we're building and would love your help! We welcome new sponsors to the fastest growing soccer club in Western Pennsylvania.

---
