

CENTURY NORTH SOCCER

PRESS RELEASE

FOR IMMEDIATE RELEASE

Century North soccer is proud to announce its' position as primary tenant of the new No Offseason Russelton location.

The new location, just ten minutes from the turnpike allows Century North the usage of multiple turf fields, both indoors and outdoors. The five year contract, beginning in the summer of 2019, will host Century North tryouts, league matches, tournaments, camps, clinics and a wide variety of club programming.

This brand new, state of the art multi-sport facility is situated on 40 acres in Russelton, Pennsylvania. It will have four multi-purpose turf fields, four college size baseball turf fields and in the winter months two indoor sports bubbles for year round play.

We are excited to continue our partnership with No Offseason, and to establish Century North as primary soccer tenant at its' newest location. The multi-sport facility is designed to house elite level teams and events, meeting the standards of Century North now and well into the future.
