

Welcome to Hart Football!

Thank you for your interest in becoming part of Hart High School Football. We hope that this information will make the transition to High School athletics a bit smoother. If you still have questions after reading through the material please don't hesitate to email us at Hartqbc@Gmail.com.

None of this would be possible without the support of our families, classmates, and valued sponsors, whose time, energy, and generosity give us the motivation and tools we need to be inspired and compete out on the football field. **School districts no longer have the resources to adequately fund** these important athletic programs so we must turn to our friends and community businesses for help.

In order to raise funds, the Quarterback Club, a non –profit organization made up of parents, coaches and members of the community organize all sponsorships and fundraising events. All monies raised by the Indian Football program goes to supply all levels with the safest equipment, uniforms, up to date facilities, food, bus transportation, supplies, photos and banquets to name a few. We make every effort do all our fundraising prior to the first game so we can truly just enjoy the season. Also, we ask that every parent donate 3 hours of their time each season.

We encourage you to come join our weekly meetings held every Tuesday at 7:00pm, at Vincenzo's Pizza on Lyons Avenue, and be a part of *Hart Indians Football*.

More Information

Student-Athletes are required to maintain a 2.0 GPA in order to participate in athletics at Hart High School. If a player has below a 2.0 GPA or has any Ds or Fs on his 5 week progress report, they will become ineligible. Any player with a 3.5 GPA at the five week progress report, will earn a Scholar Athlete award at the banquet.

High school academics can be challenging. We have students who excel in some subjects and struggle in others. The Hart Football community supports each other on and off the field. If you feel your child is struggling, please reach out to a Hart QB Board Member or Coach Herrington so that we can make sure they get the academic support he needs.

Quarterback Club meetings are held every Tuesday at Vincenzo's Pizza on Lyons Avenue. All parents are welcome and encouraged to join and volunteer.
