## West Pasco Girls Fastpitch Softball

Dear Business Owner:

Our girls' softball league has been playing in New Port Richey since 1970. As a 501(c)3 non-profit organization guided solely by volunteers, we have built a proud tradition of developing fast-pitch softball players, ages 4 – 19 years. Our girls have won 70 State Championships and 4 World Championships. More importantly, our league has always endeavored to positively impact the lives of our players, their families, and our community. All this was possible because of the support of local businesses.

In order to continue to make this rewarding experience a reality for the 300+ children in our league, we are asking you to become a part of our family of sponsors and choose one of our sponsorship levels. This is a great way to advertise your business, support the children of our community, and get a tax deduction. Your donation will not only help us with our operational expenses, but it will enable us to continue to provide a safe, healthy environment for all our members.

Thank you for your consideration.
