Equipment needs- Retrieve, inventory & sanitize all equipment. (Helmets, Shoulder Pads, Blocking Dummies.) Also, identify unusable items and identify required re-order amounts of new equipment.

- Inventory for helmets and pads and equipment, which is located in San Marcos, will be on Tuesday, June 4, at 8am at Love house. The cleaning process and inventory will be that day. Sotkovski will bring the trailer.

Website & Facebook- Updated cleaner Website integrating online payments. Updated Facebook page to Business page.

- All board members to share Facebook posts and make comments on the posts. Share with friends and invite them to like the Bandits FB page.

Sponsorship - Go over everything. Challenge each board member to get at least \$500 in sponsorships. All checks written by sponsors that do not require the 501c(3) will be written to Buda Bandits Football & Cheer. All checks written by sponsors that require the 501c(3) will be written to CFPO-PAL / Buda Bandits.

- Extremely important to get sponsors signed up ASAP so that they can be on the back of the t-shirts.

Riddell helmets- Speedflex Helmets which are normally \$325+, however Riddell is giving the Bandits the Speedflex deal for \$225. This will be over in a few days. (May 31).

Registration- Provide iPad instead of doing it with paper, which will make it easier for Kim to process the registration forms & payments/invoices. All registration will be done online.

- Encourage people/players to register now (pre-May 31) to get the most money for the Buda Bandits.
- Important to get kids registered for the football camps.

Football Camp Ideas- labels for the kids so that coaches know their names, instead of a wristband you get.

- doing a Livestrong Band, Buda Bandit Football Camp 2019

Cheer Coordinator- Brittany, not present at Board Meeting but has done quite a bit with professional cheer coordination. Cheer camp will be the same as football camp. Cheerleader is \$60 for registration and uniform is \$115 (total of \$175). They can use last year's uniform.

Financial Help/Scholarships- If there are kiddos who need some financial help, the board is open to giving scholarships for the financial hardships. Kelly, Jonathon and Vicente will vote on those who get scholarships.

Practice Field Usage- In order to get the practice fields for 36 dates, it will cost \$1080 total. 25% (\$270) is due to book it. Balance has to be paid before we begin practice. Kim will find out if it needs to be paid before the camp begins or before school begins.

- Inquiring about striping the field, aerating, feed & seed, etc. Hays CISD monitors their fields and they have it all on lock. We need to get permission to do the maintenance, if that is something we are going to do.

Treasurer (Vince) -Finances will be an open book. We want parents to see what their money is spent on, where the expenses are, to determine whether or not their money is going to a good organization.

Fundraisers- Water bottle fundraiser- kids in their jerseys on the side of the roads selling waters- June 11 4:30pm at Cabela's. Bring ice in coolers.

Registrar (Kim) - Send out the PDF for the Football/Cheer camp to everyone for distribution. Produce & Distribute print job items (Sponsorship docs, Camp Flyers, Business Cards, Camp Yard Signs).
