

# Cougar Football Challenge

Dear \_\_\_\_\_,

The Dallastown Cougar Football (DCF) Organization is conducting our annual Cougar Football Challenge to generate additional support for our program. Our players spend long hours in strength, agility, and skills development as they practice and prepare for their upcoming season. Their dedication and hard work exhibited, as well as the support from our families and community, is why we continue to have a successful organization.

The expenses for football participation are considerable. While families share a great portion of the costs, that alone is not enough to sustain our needs for the year. Youth programs like ours depend on the generosity of player sponsorships to make the year a success. Your contribution will benefit all players and go directly to purchasing and conditioning equipment, keeping our registration cost low, as well as fun incentives to celebrate achievements throughout the season.

Please consider helping to fulfil the goals of our young athletes as we prepare for an exciting upcoming season.

Thank you in advance for your support!

Sincerely, 

\_\_\_\_\_
