

WARRIOR ATHLETICS

Spirit Academy Athletics, is excited and thankful to be in our 21st year of sports programming. We are grateful for a thriving program filled with dedicated administration, coaches, and families. Our vision is to provide a quality sports program to under-resourced families.

Spirit Academy Athletics provides athletic opportunities including volleyball, football, basketball, baseball, cross country, and others. We provide coaching, instruction, and PE credits for high school students. The focus is on physical education, nutrition, and proper techniques for participating in team or individual sports.

We serve families throughout the Orange County California Area, and surrounding communities. Our athletics program provides a unique experience for children and youth. Our students are able to focus on community service opportunities and academics while participating in a competitive athletic program.

Cancellation Policy: Participants may cancel within three business days for a full refund. Cancellations must be in writing, which can be in the form of an email or written letter. Cancellations via text or phone message will not be honored. Refunds for any cancellations after the first three business days is 50% of the fees, anytime within the first 30 days, but after the first 3 days. No refunds will be provided for any cancellations after 30 days of service. Participants may cancel and receive a full refund if the student is injured and can no longer participate. A doctor's note is required to receive the injury cancellation refund.
