

McLean Little League Boundaries

NEW ELIGIBILITY FOR THOSE ATTENDING SCHOOLS WITHIN MCLEAN LITTLE LEAGUE GEOGRAPHIC BOUNDARIES:

In an effort to allow Little Leaguers to play with their classmates, and ease the burden on parents and guardians, Little League amended its residency requirements for the start of the spring 2014 season to allow children to play in the local league whose boundaries where they attend school is located.

With this change, all students (Grade 1 and higher) who attend public or private schools within McLean Little League's geographic boundaries are eligible to play at McLean Little League regardless of their place of residency. In addition to the schools noted below, for both baseball and softball, this would include students at **St. John Academy, St. Luke Catholic School, The Potomac School, Basis School, The Langley School, Brookfield School, The Montessori School of McLean, , Colvin Run ES, Spring Hill ES, Longfellow MS and Cooper MS**. For softball, students attending any of the following schools (Grade 1 and higher) would **also** be eligible: **Westgate, Lemon Road, Timber Lane, Shreveewood, Oakcrest School, St. James Catholic School, Mt Daniel, Thomas Jefferson, and Mary Ellen Henderson Middle School; Tuckahoe, Nottingham, Jamestown Elementary, Discovery Elementary, and Williamsburg Middle School in Arlington, McLean High School, Langley High School and George Mason High School.**

- A. His/her parents are living together and are residing within such league boundaries, OR;
- B. Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries. It is unacceptable if a parent moves into a league's boundaries for the purpose of qualifying for tournament play. As detailed later in these rules, the penalty for violation of this rule may, in Little League Baseball, Incorporated's discretion, result in the disqualification of a player, team or entire league from regular season and/or tournament play. "Residence," "reside" and "residing" refers to a place of bona fide continuous habitation. A place of residence once established shall not be considered changed unless the parents, parent or guardian makes a bona fide change of residence. Residence shall be established and supported by documents containing the full residence which includes parent(s) or guardian(s) name, street address, city, state and zip code information, dated or in force between February 1, 2017 (previous year) and February 1, 2018 (current year), from one or more documents from each of the three Groups outlined below:

NOTE: This excludes home schools, cyber schools, sports-related schools, sports academies, or preschool or after school where a student participates outside of the primary school the player is enrolled.

"School attendance" refers to the (place) physical location the player in question attends school during the traditional academic year. Once established, a location of school attendance shall not be considered changed unless the child is enrolled and attends another school or is no longer enrolled in or attending the previous school.

School attendance shall be established and supported by a document indicating enrollment for the current academic year, dated prior to October 1, 2017 and with the physical location of the school, from ONE of the following categories to determine school attendance by such player:
