- During the Re-Registration Offer Period, Clubs may extend Re-Registration Offers to players that are registered to their Club for Fiscal Year 2020-2021.

- Once extended, a Re-Registration Offer must remain open for acceptance (not expire) for at least 24 hours.
- Once received, a player may (but shall not be required to) accept the Re-Registration Offer at any time prior to the Re-Registration Offer Expiration Time.
- Re-Registration Offers must be in writing (email and text are acceptable):
 - The date and time that the Re-Registration Offer is extended to the player;
 - The name and title of the Club representative that is making the Re-Registration Offer;
 - Mechanisms for the player to accept or reject such Re-Registration Offer in writing.
- If a Re-Registration Offer is properly rejected by the player, the Re-Registration Offer is deemed immediately revoked and becomes void (and can no longer be accepted by the player).
- If an Re-Registration Offer is not properly accepted by the player as of the Re-Registration Offer Expiration Time, the Re-Registration Offer becomes void (and can no longer be accepted by the player).
- For clarity, an Re-Registration Offer may NOT be extended to a player that is NOT registered to the applicable Club for Fiscal Year 2020-2021.
