RE: Corporate Sponsorship

Dear Prospective Sponsor:

The Rose-Rich Girls Softball Association (RRGSA) offers recreational and competitive softball programs for hundreds of girls, ages 3-14, every year with numbers continuing to grow. It is through the generous support of our local sponsors that we are able to serve the kids in our community. We are currently seeking support for the upcoming season. These donations give the girls the opportunity to thrive within a positive team environment.

Since our organization relies heavily on the generosity of companies like yours we are asking for your support in the form of a field sponsorship. Donations help with the cost of equipment, uniforms, field maintenance, field upgrades, and more, plus they are tax deductible. While the community appreciates your company's goodwill, this is also a great advertising opportunity. The RRGSA fields are located in Richmond and are occupied year round by hundreds of families.

Thank you in advance for your consideration and generosity.

Sincerely,

RRGSA Board of Directors  
[corporatesponsors@rrgsa.com](mailto:corporatesponsors@rrgsa.com)

We are a softball program for girls ages 3 to 14. Our mission is to provide softball fundamentals in a competitive environment that teaches sportsmanship above all else. We hope to prepare our girls not only to play as a team but also to overcome diversity on and off the field. Please take this opportunity to support an organization that is changing the lives of the girls in our community.
