CYFC utilizes an online application process for head coaches, assistant coaches, and team moms. Any individual that applies to fulfill one of these roles must complete a NCISAFE background check. All Football coaching applicants are required to be USA heads up football certified by August 1st of the current season in order to be on the field with our football players.

2. Read the online Football Coaches Handbook, list of responsibilities and Code of Conduct. Sign the last page return to VP of Football.

4. **USA FOOTBALL ONLINE COACHING CERTIFICATION**. This is a requirement for all Football coaches every year. Team Moms do not need to do this. Clearview Youth Football Pays for this, and requires all coach to complete the basic tackle course. Click **HERE** to go to the USA Football Login Page. If you had an account from last year, you can simply log in. If not, you can create one.

5. This step does not apply to Pee Wee Coaches or Team Moms. Football Team Moms are not allowed inside the fence during games and don't need league Certification. **TCMFL League Certification**. To be on the sideline during varsity games all Freshman through Senior Coaches must get an official, TCMFL League ID. To obtain that ID you must attend the 2014 League Registration on Saturday Aug 23, 2014 At 8 am. All Coaches must have their USA Football Certification in hand. You also don't need this if you are only coaching JV.
