

**Taughannock Soccer Club
Parents/Guardians COVID-19 Code of Conduct**

I have reviewed the training plan ahead of time from the coach outlining arrival/departure protocols & hygiene recommendations. I am thoroughly aware of all safety recommendations and will ensure that my family follows them.

I have reviewed the medical clearance procedures and signed & submitted the Hold Harmless Waiver.

I will take my child's temperature daily during the travel league season and check my child's temperature before training sessions & games. If my child has a fever (>100.4), they will not attend. My child will not participate if they have any of the following symptoms:

- | | |
|---|-----------------------------------|
| a. COVID-19 exposure in past 14 days | f. Headache |
| b. Sore throat | g. Sinus congestion |
| c. Shortness of breath/difficulty breathing | h. Cough persistent or productive |
| d. Fever >100.4 | i. Joint aches and soreness |
| e. Chills | j. Vomiting or diarrhea |
| | k. Rash |

My child will not participate if they:

- have had any close contact with a sick individual or anyone with a confirmed case of COVID-19.
- have had a documented case of COVID-19 in the last 14 days.
- is currently demonstrating or suffering from any ill symptoms.
- or a member of the player's household has travelled to a restricted state during the last 14 days.

I will notify the club/coach immediately if my child becomes ill for any reason.

I will ensure that my child comes to the session/game with hand sanitizer and at least 2 bottles of water in their own bag. I will ensure that my child washes their pinny/clothing and sanitizes equipment after sessions & games.

I acknowledge that only players, coaches and club administrators are to attend practice sessions. During drop off and pick up, I will adhere to social distancing guidelines including the use of face masks when 6 feet distance cannot be maintained.

I will avoid carpooling with other players when possible. I will not have more than one player other than my child in my vehicle traveling to games. I will not bring group snacks to any game.

I will not attend games if I have symptoms, if I or member of my household has been exposed to the virus and have been directed to self-isolate/quarantine or if I am of higher risk to catch the virus. I will take my temperature daily if I will be a spectator. I will wash hands before & after games and I will bring & use hand sanitizer. **I will wear a mask the entire time I am on-site unless I am in my car.** If I am not willing or able to wear a mask, I will remain in my car. I will not yell in the general direction of the field. I will not touch the ball with my hands.

If another person accompanies me to a game or session, I will make sure that they understand and follow TSC and BCSA protocol.
