Incident/Injury Reporting and Tracking Procedure

When an Incident/Injury report must be submitted to the league Safety Officer:

Anytime there is an Incident/Injury to a player, manager, umpire, volunteer or spectator there needs to be an Incident/Injury report filled out and submitted to the league Safety Officer.

Incident/Injury can be defined as:

- Anytime a player, umpire, manager are taken off of the field during practice or out of a game as a result of any type of Incident/Injury resulting from the baseball game.
- Any volunteer helping during a baseball practice or game is injured and requires first aid treatment
- Any spectator watching a baseball practice or baseball game is injured from a result of the baseball practice or baseball game and requires first aid treatment

The Incident/Injury report must be filled out and submitted to the League Safety Officer within 24-48 hours after the incident

The Incident/Injury report shall be filled out and submitted by:

- The manager of the team of the player/coach that has a reportable incident
- The manager of the home team if the injury is to an umpire, volunteer, or spectator at the game

The League Safety Officer will track all Incidents / Injuries and follow up

The League Safety Officer will share incident/injury information with Little League District Staff as required
