

Ergathon!! October 2020

Dear Athletes and Parents,

It's time for the 2020 Ergathon, Radnor Girls Crew Club major fundraising event! **The Radnor Fall Festival has been cancelled this year – as result we are making alternative plans for October 2020.**

As you know, last year's crew season was cut short due to COVID which resulted in all spring regattas being cancelled. As the crew program is not funded through Radnor High School, now more than ever fundraising is critical to the club.

We look to every athlete to help with this effort. To help, we have created this packet that contains materials you need to get sponsors and donors, as well as some basic ergathon information. If you misplace this packet or need additional materials, they will be available on the club's website (<https://www.radnorgirlscrewclub.org/>).

The Athlete Sponsor List: Please fill in each donor's name, address and pledge amount. We ask that each athlete thank their sponsors with either a written note or email. Please give the list and any money collected to one of your team captains when requested in October. Please print as many copies as needed.

The 2020 Ergathon Donor Letter: Please fill in the name of the potential donor at the top and sign your name at the bottom including number of years rowed. The letter is to be given to the potential donor. Be sure to ask the donor to put your name on the memo line of their check so that you can be given credit for the donation.

We ALL need to do what we can to make this event a success!

Athletes – please speak to everyone you know in your neighborhood, relatives, store owners of places you visit frequently (like a coffee shop or a restaurant). **Don't forget to ask RGCC alumni and parents to contribute!!!**

Parents – The Ergathon is a fundraiser and the goal is to raise community awareness about our awesome program and solicit financial support from the community. We acknowledge that all parents greatly contribute to the club with time, talent and dues. Please encourage your athlete to solicit funds and seek crowd participation from our community to fill her funding commitment.

Thank you so much for assisting the Radnor Girls Crew Club in this important fundraising event!
