

# VESTAVIA HILLS GIRLS VOLLEYBALL

We are excited to announce we are planning a modified Spring Season for Girls Rec Volleyball in Vestavia! The season will run from early March to early May for girls in grades 3rd-8th. The girls will be divided by grade. The season will include skill clinics and scrimmages. We will not play official games this season, so the registration fee will be discounted to \$100. This fee for the 2021 Spring Season includes: gym use, use of equipment, and a t-shirt. Registration will be open January 2-February 27. All players, coaches, and spectators will need to wear a mask. There will be no weekend commitment. The skill clinics will be during the week. The days and times will be determined by coaches and how many girls register. It will be once a week for 1 hour.

To register visit: <https://www.vhgvb.com/>

Parents: We need your help! We need coaches. We will have a Coaches Clinic before we start, so no experience necessary.

We are also seeking new Board Members. We are looking for parents of younger girls to get involved and hopefully expand the league. If you are interested, please email:

[vestaviahillsgirlsvolleyball@gmail.com](mailto:vestaviahillsgirlsvolleyball@gmail.com)

Here are the Officers and other Board Positions:

President (Website Management, Scheduling, Communicating with Park Board, and Answering Emails)

Vice-President (Sponsorship and Social Media)

Secretary (Uniforms)

Treasurer (Bank Account, Payments to Refs, and other financial reports for the board)

Other Board Members (events: Rec Night at Samford etc.)
