

OVFPS Sponsorship Program

Looking for a way to have your business noticed by thousands of people day after day, year after year? It's time to get your name in the game!

Oro Valley Fast Pitch Softball is a 501(c)3 non-profit, instructional, competitive girl's fast-pitch softball league that is dedicated to the young girls of our community.

Your sponsorship provides either a 3x5 outfield banner or a 10x15 backstop banner with your company logo that will be displayed at Riverfront Park in Oro Valley.

Every Fall we have close to 100 girls in the league and play around 100 games at Riverfront Park against teams from all over Tucson. In the Spring we have close to 200 girls participating with over 150 games played at Riverfront Park.
