

SSC Town League Program Information

TOWN LEAGUE PHILOSOPHY: It is the intention of the Sparta Soccer Club to provide the children of Sparta the opportunity to not only learn the game of soccer, but to learn the value of good sportsmanship and healthy competition. We encourage each player to strive to play their best, but also want them to learn that their success is not measured solely by wins and losses.

SHIN GUARDS ARE MANDATORY IN ALL DIVISIONS AT PRACTICES AND GAMES! Cleats are recommended but not required. All players are encouraged to bring their own ball to practice.

Coach Requirements: All coaches must be America Sport Education Program (ASEP) or National Youth Sports Coach Association (NYSCA) certified or hold an "F" license or better. All coaches are required to complete a Concussion Awareness course. Coaches must also complete a New Jersey Youth soccer "Kid Safe" Volunteer disclosure form.
