

SSC Town League Fall 2019

Number of Players on the Field

SSC's goal is to provide a place to play soccer for all children who would like to do so. Therefore, the divisions, the number of teams in each division, the number of players on a roster and the number of players on the field will be determined each season by the Town Vice-President, the Director of Town and the Town Registrar based upon registration.

- In any Division, when the required numbers of players are not present, the coaches **MUST** agree on an **EQUAL** number of players to place on the field **before** the game starts. This is a recreational league where the purpose is to provide a place to play and not to take an unfair advantage because players are missing.
- Should the situation occur where one team does not have enough players PLEASE have players from the full team play for the other team. Make every attempt to play even numbers against each other.
- Except for Div 3C – the format for all is small -sided play, the fields are small sided so with fewer players on a side the more touches for each player.
- Remember the coach sets the tone for the game and the players are just here to have fun! The rule is that every player plays at least 75% of every game. This is why there is some flexibility in the numbers on the field, it allows for intelligent subbing, while still making sure everyone plays at least 75%. If this is not happening - please contact someone from the board so we can address the problem. When a player is a sub on the sideline this is a great time to coach/ instruct!
- Use common sense - if the day is hot - have fewer on the field - more subs so everyone can rest / get a drink as necessary.
- Coaches are also **STRONGLY** asked to take actions to not run up lop-sided scores. Switch positions, etc. Players should all experience/ learn different positions. Referees will be instructed to remind you if needed.

Updated 4/12/19

<i>Division</i>	<i>No. of Players assigned to each team</i>	<i>Number on the field for games</i>	<i>Game Playing Times All receive 2 minute break at quarter; 5 Minutes at half</i>	<i>Field size / Location</i>
