

All Bridgewater Baseball & Softball coaches must attend the Rutgers Youth Sports Safety Orientation and Training Workshop. Once taken, the course is valid indefinitely, and is mandatory for all coaches who want to be on the field or in the dugout – even if you’re just helping out, and not an official coach on the team.

Bridgewater Baseball & Softball covers the cost of the Rutgers program for our coaches. **The Bridgewater Rec Dept will be hosting a class on Monday, March 30, 2020. Pre-registration is required** at the Bridgewater Township website
